A Reputation for Reliability is almost as valuable as money, and frequently takes its place, and very profitably so. I am very sealous of such reputation, and on that account I want to call your attention to the purchase of ground along the Frankford Lastor Ave. and the N. E. Houlevard. It's No Hazardous Speculation not one-tenth as risky as the stock mar-ket. It's safe as a speculation, safe as an investment, and safe as a security.
