

PERSONS JOINING LIFE EXTENSION INSTITUTE'S DIET SQUAD UNDERGO RIGID PHYSICAL TESTS

PHOTO BY PAUL THOMPSON  
PHYSICIAN MAKES CERTAIN NONE OF THE VITAL ORGANS IS MISPLACED AND THAT THERE ARE NO SIGNS OF INCIPENT APPENDICITIS

THERE IS NO MORE IMPORTANT EXAMINATION THAN THAT OF THE THROAT AND NOSE

THE EYE GROUND ARE GONE OVER WITH AN OPHTHALMOSCOPE FOR EARLY SIGNS OF BRIGHT'S DISEASE AND HARDENING OF THE ARTERIES, WHICH CAN BE FOUND THROUGH THIS TEST

THE "KNEE JERK" IS MADE PART OF THE EXAMINATION, SINCE IT SOMETIMES REFLECTS THE CONDITION OF THE NERVOUS SYSTEM

THE CHEST EXPANSION IS NOT RECORDED, BUT THE PROPORTION OF THE CHEST MEASUREMENTS TO THE HEIGHT IS CONSIDERED IMPORTANT

THIS LAYOUT MAKES 1000 CALORIES  
No. 1, whole wheat bread from a five-cent loaf three-quarters of an inch thick; No. 2, beans, one ounce; No. 3, mince pie one inch of the circumference; No. 4, lettuce, twenty-two ounces; No. 5, brown sugar, two tablespoonfuls; No. 6, milk, five ounces; No. 7, one ounce butter or nut margarine; No. 8, one banana; No. 9, oatmeal, one ounce; No. 10, steak, one and one-half ounces; No. 11, one-half good-sized potato; No. 12, white flour, used in gravy, one ounce; No. 13, one orange.

LIEUT. LLOYD FAULKNER, ROYAL FLYING CORPS, WHO IS VISITING AMERICA WHILE RECOVERING FROM WOUNDS

WOMEN'S PARTY LEADERS IN WASHINGTON  
Pennsylvania delegation grouped in front of headquarters, Lafayette Square, showing (left to right) Miss L. M. Clinton, Miss Mary A. Burnham, Mrs. W. J. Hall, Miss Marie Ernst Kennedy, Pennsylvania chairman, and Miss Clara A. Woodruff

WOODROW WILSON LEAGUE DEPARTS
