Opportunities All Around You Are Exhaustless

Most broad-minded and successful men are willing to investigate a good thing. That is just why they are successful. We make the public statement that there is nothing more safe and secure to speculate or invest money in in these strenuous times than the undeveloped ground in the **NORTH-NORTHEAST** section of Philadelphia. We believe it will undoubtedly double in value within from one to three years. Here are some of the rare bargains:

WEST PHILADELPHIA

ON THE EAST SIDE OF 54TH ST.

At Springfield ave. (1300 block south) and just 1 block north of Chester ave. is located a most attractive row of brand-new 2-story porch-front homes.

They are most convenient to transportation, for car No. 13 on Chester ave. runs out Walnut and in Chestnut to the city's center.

Fifty-fourth st. is a wide main street—you will be glad to live there.

And then—does not this description sound good to you? Most excellent hot-water heating, electric lighting, with handsome fixtures; good-looking, substantial hardwood floors throughout; bathrooms, with unusually fine cabinet range; basement laundry, electric plugs in baseboards, skylight, shower bath, built-in bookcase and desk in Dutch hall, and a hundred and one comfort-making extra appointments, which will be a constant source of appreciation and satisfaction to you.

Most unusual circumstances make it possible to sell these houses at a ridiculously low price, and I have succeeded in arranging such easy terms that even though you have only a small amount of cash a perfectly new home is yours, with the balance of purchase price in monthly payments to suit. How much more sensible a plan than renting an old-fashioned and unattractive house!

We will have a sample house open day and evenings. Won't you pay us a visit—NOW—and see for yourself just how unusually attractive they really are?
