And then—does not this description sound good to you? Most excellent hot-water heating, electric lighting, with handsome fixtures good -looking, substantial hardwood four throughout, gas kiftchen, with unusually fine-cabinet range; basement laundry, electric plugs in baseboards, skylight, shower bath, buff-in bookcase and desk in Dutch hall, and a hundred and one comfort-making extra reincements, which will be a constant source of appreciation and satisfaction to you.

Asst unusual circumstances make it possible to sell these houses at a ridiculously low price, and I have succeeded in arranging such easy terms that even though you have not a small amount of cash a perfectly new home is yours with the balance of nurchass price in monthly payments to suit. How much more sensible a plan than renting as old-fashlonel and unattractive house!

We will have a sample house open day and see for yourself just how unusually structive they really are!
