Today is the second arbor day set by Governor Brumbaugh in order to call attention to the need for trees in Pennsylvania and for the reforestation of certain sections. Twenty-five, thirty, or more will be planted at the Germantown High School. They will be planted along the High and Baynton streets sides of the school building. The Board of Education had for them. Three of the trees will be planted by each of the eight classes and the entire school will assist at the planting of the twenty-fifth tree following exercises to be held this afternoon in the assembly room. 100 Dyers Call "Sympathy" Strike

BRIDGEPORT, N. J., April 27.—One hundred employees of the Martin Tyeing and Finishing Company have gone out on a sympathy strike. Two weeks ago a number of employees banded themselves together and joined the United Textile Workers of America, which is affiliated with the American Federation of Labor. Soon afterward ten of them were notified by the company that their services were no longer required. The men deem this a blow at unionism. The plant is rushed with orders, running day and night shifts.

POLICE SEEK BEGGAR AS BOY'S KIDNAPPER

Believe Suspect Stole Elch Apple and 5-Year-Old Girl

Five-year-old Elch Apple, found and buried up to his chin for nearly forty-eight hours in a cellar of an abandoned house at 774 South Second street, is in a critical condition today at the Pennsylvania Hospital, where the police are searching the southern section of the city for the "big snitch" who, the boy says, kidnapped him. A beggar seen near the Apple home 774 South Third street, is wanted particularly. It is believed that he is the man who kidnapped Elch, as well as five-year-old Nathan, both of 511 Pennon street, who was found bound and gagged in a cellar March 25. This man was seen talking to Elch on Tuesday, the day he disappeared. Neighbors give the credit for finding Elch to a little dog belonging to John Conly, of 774 South Second street. The animal's whining in front of a cellar window attracted the attention of the boy's father, Joseph Apple, who with a searching party entered the dingy hole.

27,000 CHESTER COUNTY WOMEN IN WELFARE WORK

Suffragists and Antis Co-operate at Exhibit — "Home and School League Day" Today

Twenty-seven thousand members of all Chester County women's organizations, it is estimated, have been in active session during Chester County's Child Welfare Week, which closes its exhibit in the New Century Clubhouse in West Chester today. The suffragists have worked side by side with the "antis." The Red Cross and the Women's Peace Party have behaved like the "lions and the lambs" in co-operating with the work. Today, "Home and School League Day," Miss Edna Celand, president of the Carson College for orphan girls, will tell the welfare side of the work of the league system for girls. T. S. Settle, field secretary of the Playground and Recreation Association of America, will discuss "playtime for the nation's children." Shelby M. Harrison, of the Russell Sage Foundation, will outline the advantages of community surveys. The voluntary committee in charge of

Two of these camps are provided for Pennsylvania, one at Fort Niagara, New York, for residents of the following counties:

Adams, Allegheny, Armstrong, Beaver, Bedford, Berks, Blair, Bucks, Butler, Cambria, Carbon, Chester, Clarion, Cumberland, Dauphin, Delaware, Fayette, Franklin, Fulton, Greene, Huntingdon, Indiana, Jefferson, Juniata, Lancaster, Lawrence, Lebanon, Lehigh, Mifflin, Monroe, Montgomery, Northampton, Perry, Philadelphia, Pike, Schuylkill, Snyder, Somerset, Union, Washington, Westmoreland, York.

Residents of all other counties enroll for the camp at Madison Barracks, N. Y.

How to Become an Applicant

Applicants must apply on the official blank, which with bulletins of information may be obtained from members of the Examining Board for Pennsylvania, as follows:

Major William Kelly, Jr., 432 Commercial Trust Bldg., Phila., Pa.

Captain A. A. King, Room 432, Commercial Trust Bldg., Phila., Pa.

Captain Lewis S. Morey, Pennsylvania Military College, Chester, Pa.

Captain William F. Harrell, care of U. S. A. Recruiting Office, Harrisburg, Pa.

Captain John S. Davis, 627 Smithfield St., Pittsburgh, Pa.

Captain Arthur E. Ahrends, Pennsylvania State College, Pa.

U. S. Recruiting Officer, Scranton, Pa.

Applicants should appear before the examining officer nearest their homes.

All applications will receive equal consideration and will not be considered in the order of priority in filing. The selection will be made by the army authorities.

Physical Examination

Medical examination papers must be secured at Room 432, Commercial Trust Building, and taken to the armory of the First Troop, Philadelphia City Cavalry, at 23d and Ransdall streets, where the applicant will be physically examined by officers of the Medical Reserve Corps.

Qualifications

The camps will be open to the following classes:

(A) Reserve Officers of the line (Infantry, Cavalry, Field and Coast Artillery) and Engineers. (B) Members of any Reserve Officers' Training Corps unit over 20 years and 9 months and other cadet students of the same age. (C) Members of the National Guard when duly authorized. (D) Graduates of military schools between 20 years and 9 months and 44 years; and (E) Other citizens between 20 years and 9 months and 44 years of age with or without previous military experience, provided they are otherwise qualified.

In order to be eligible applicants must be well educated and have demonstrated in business, athletics or other activities that they possess to an unusual degree the ability to handle men. All applicants must be citizens of the United States, of good moral character and sound physical condition and capable of undergoing the severe physical work of drill and manoeuvres.

To date the majority of the men applying have been under 30 years of age and it is important that a large number of men between the ages of 30 and 44 years apply in order to qualify for the higher grades which must be filled as new troops are called into service.

Expenses

All men attending the camps must pay their own transportation, for which they will be reimbursed at the camp.

The Government will furnish subsistence during the training period.

The Government will supply uniforms, but, as there may be some delay in the receipt of an adequate supply of these, all attendants at the camps are urged to furnish their own uniforms in advance, if practicable, as follows:

- | | |
|--------------------------|----------------------------|
| 1 Hat, Service. | 2 Breeches, Service, O. D. |
| 1 Hat Cord, U. S. T. C. | 1 Pair Leggings, Canvas. |

Commissions

The War Department has announced that every man who attends camps and is found satisfactory after completing his course of instruction will be given a commission in the Officers' Reserve Corps.

Members of National Guard

Enlisted men who are members of National Guard organizations which have been mustered into the Federal Service may be furloughed for three months to attend a camp by application through Federal authorities. Members of National Guard organizations which have not yet been mustered into the Federal Service may be furloughed for three months by application to the proper military authorities of the State of Pennsylvania.
