WELL, no one, of course, was surprised to hear that Gladys Earle and Gilbert Mather are engaged, when it came out yesterday, though, equally of course, no one had expected that it would be announced until after Gladys's debutante year.

But then, who of us knew that war would be upon us and it is only natural that they should not have waited. What would be the use? An engaged girl as much in love as Gladys would not care If her first winter out was a success or not, from the usual point of view of a debutante, and I. for one, think her parents were very wise to give their consent to the announcement. Gilbert leaves next week for Fort Niagara to join the officers' camp.

Gladys is quite the prettiest of all the Earle sisters and is a very great favorite, and I'm sure all her friends would join me in wishing her every kind of happi-

Seven Girls at Home for Incurables Organize Optimistic Circle

A photograph illustrating this article ap-pears in the Pictorial Section.

Although they are cripples and cannot go about like other girls-although they have never had a happy, romping childhood, and really haven't things other girls have to make them cheery, there are seven girls at the Children's House of the Home for Incurables, Forty-eighth street and for Incurables, Forty-eighth street and Woodland avenue, who are so cheerful, so happy, that they are called "Little Sunbeams.

And they are not satisfied with just being sunbeams. They want to brighten the lives of others. They want to be like their namesakes.

These seven girls, like the seven hues of the rainbow, bring brightness to others, and they have caught the spirit of the Golden Rule from the fairy of the Home for Incurables. Mrs. Edward Fell, of the Clinton Apartments, who has been the guardian angel of the incurables for twentyfive years.

They love her. They want to make her happy. She has made so many others happy, they reason, that they want to do something for her to show they appreciate the fact that she has virtually given her life, just because she wants to, although she has many other avenues in which she could use her time and her money and give of herself.

So these girls have formed a club under the guidance of Miss Eloise E. Dickey, who belongs to the Ingles Memorial Auxiliary of the Home for Incurables, which Mrs. Fell heads, and they have called the club the Sunbeam Club. They live up to the name.

The girls are making sponges and dressings and doing all they can to rush work for the Red Cross. They are organized with the following officers:, President, MisseFloretta Harsler: secretary, Miss Ethel Flans-gan, treasurer, Miss Anna S. Wright: mem-bers, Miss Lena Whitzel, Miss Laura Henry, Miss Suppezio and Miss May Parsons.
