

CYNWYD DEFEATS TENNIS CHAMPIONS

Johnson and Swayne Beat Pearson and Wistar in Tristate Play

6 MATCHES PLAYED OFF

By PAUL GIBBONS

Through the courtesy and sportsmanship of Germantown Cricket Club, the Tristate League match between the Manhattan team and Cynwyd, scheduled for Saturday, May 12, and which was only partly played on that date for the reason that four members of the Cynwyd team did not put in an appearance because it rained throughout the morning, was played yesterday. Three matches were played on the original date in which William T. Tilden beat Wallace Johnson, Stanley Pearson beat Dr. P. B. Hawk, and Norman Swayne, L. C. Wister. The team score, therefore, stood 2 to 1 upon the resumption of hostilities yesterday.

Of the six matches played yesterday, Cynwyd won three and Germantown one. Tilden and Beck, by defeating Doctor Eliason and T. C. Leonard, supplied Germantown's only point. It was a thoroughly well-deserved victory, both Tilden and his youthful partner playing brilliant tennis. The Cynwyd pair directed their attack against Beck, but he withstood it gamely, returning drive for drive. Tilden and his partner made Eliason the object of their attack. The tennis was very high class throughout, the Germantown players winning 6-4, 6-3, 6-3, 6-3, 6-3, 6-3.

The surprise of the day was the defeat of Pearson and Wistar, Pennsylvania State champions, by Wallace Johnson and Norman Swayne, and particularly that it was accomplished in sequence sets—6-4, 6-4. The Cynwyd team has a safe lead in both sets and never was in danger of defeat. Wister and Pearson were far below their usual high standard of ability.

The summary, including the matches played on the original date, follows:

SINGLES: William T. Tilden, Germantown, defeated Wallace Johnson, Cynwyd, 6-4, 6-3. P. D. Hawk, Cynwyd, defeated L. C. Wister, Germantown, 6-3, 6-3. T. C. Leonard, Cynwyd, defeated Dr. P. B. Hawk, Germantown, 6-4, 6-3. Stanley Pearson, Cynwyd, defeated Harry Maxwell, Germantown, 6-4, 6-3.

DOUBLES: Johnson and Swayne, Cynwyd, defeated Pearson and Wistar, Germantown, 6-4, 6-4. Tilden and Beck, Germantown, defeated Leonard and Eliason, Cynwyd, 6-4, 6-3. Paul Gibbons and Richard Cynwyd, defeated Walter Schwartz, Germantown, 6-4, 6-3.

BUSINESS CONTINUES GOOD, WITH PRICES HIGH

Woolen Mills Are Receiving Big Orders for Military Supplies. Collections Fair

Business conditions continue good generally and prices remain high, according to the weekly review of trade conditions by H. G. Dun & Co. The shortage of labor and difficulty in getting raw material are still causing much annoyance. The review says in part:

Conditions in the local cotton yarn trade show but little change over the previous week. Prices are still high and dealers report business quiet, buying being in small amounts for immediate use, manufacturers not being inclined to buy ahead.

The wool market is still strong, but the volume of business has fallen off to some extent owing to the high prices asked for by holders of wool. There is, however, a good inquiry, especially for wool which is suitable for military use. Pooled and scoured wools are extremely strong, those grades being more adapted to Government requirements.

The mills are said to be receiving big orders for military supplies, but their regular line of business is quiet. Manufacturers of coats and suits, dresses and shirts are said to be weather conditions have affected business somewhat.

Shirts and suit manufacturers state they are not running to full capacity and dress manufacturers state that the trade is buying sparingly and business generally is quiet. There is little doing among the cloak and suit manufacturers, being between season. Some, however, are getting their fall lines out. Wholesalers of dry goods report sales having fallen off during the last few weeks; prices firm. Dealers of dry goods and kindred lines report business generally quiet.

Manufacturers of men's and boys' clothing state they have booked new orders for fall and winter delivery and anticipate a good season's business. Converters of dry goods and wholesalers of woollens state prices are firm and in most cases are well sold up.

The iron and steel market presents no special features, continues to be active, and, while orders on hand, both foreign and domestic, are being filled, the trade is waiting for clearing up of the situation regarding Government contracts, which causes a more or less unsettled condition.

Large orders are being placed by railroad companies, and manufacturers of locomotives are understood to have unfilled contracts to a very large extent.

Shippers are very busy and new companies in this line of industry are being formed. The demand continues strong in all lines, prices are firm and collections show improvement.

BARROW BITTERLY ARRAIGNS HICKEY

Calls Special Session of International to Consider Canceling of Games

SAYS BREACH OF FAITH

NEW YORK, May 18.—The International League will meet in special session Sunday in Buffalo to consider the announcement of Thomas J. Hickey, president of the American Association, that the interleague series had been called off. This announcement was made today by Ed G. Barrow, president of the International League, who made public at the same time a copy of a telegram to Hickey, in which he severely criticized the association, executive for his action.

In the telegram Barrow informed Hickey that he would not consent to an abandonment of the interleague schedule without first having consulted owners of clubs in the International League.

"Your statements I consider a lack of judgment and a breach of faith which I cannot overlook," Barrow wired. In another telegram he told Hickey the series probably would be called off if the American Association magnates desired it.

"I believe the American Association is sneaking before it is hurt," said Barrow. "We consider the season just opened and are optimistic in our league. If the American Association pocketbook is hurt, it is no more so than ours. We believe the season will get better."

Barrow declared he had received a message from Owner Wathen, of the Louisville club, declaring Hickey had no authority to call off the schedule. Wathen is vice president of the association.

ROY THOMAS WILL ASK FOR FRESHMEN ROOKIES

On account of losses of prominent members of the Penn baseball squad through enlistment, Coach Roy Thomas confronts the necessity of remodeling the team if scheduled games are to be played. To meet the emergency he has decided to ask permission of the faculty to use freshmen players for the remainder of the year. Unless the proposed arrangement can be perfected, it is stated that no more games will be played this year.

Some of the troubles being faced by Coach Thomas follow: Yates, first baseman; Hinkson and Lavan, outfielders, have gone to Fort Niagara. Host is a member of the Third Regiment and has been called. Todd, who leads the Red and Blue team at the bat, with an average of .395, has gone to Maryland to help his brother run a farm.

Moore is a member of the naval coast defense reserve. Johnny Tizel is now at the navy yard, in the same organization. Mohr, manager of the team, has left for Fort Niagara and Jack Hargraves became Fort Niagara and Jack Hargraves became Fort Niagara and Jack Hargraves became Fort Niagara.
