### A NEW VOLUME ABOUT THE WAR

The publishers of The Encyclopaedia Britannica announce that they have made arrangements for the issue, as soon after the end of the war as possible, of a new volume, containing a full and authoritative history of the war. The new volume will be written by scholars and experts of the same high character as those who wrote for the Britannica itself, and by many of its own contributors. It will be absolutely impartial, excluding all partisan feeling and prejudice. It will contain

1. A judicial account of the real causes of the war, the progress of the struggle, and the results all over the world; with maps, as necessary, to show changes in boundaries.
2. The lives of the new leaders, whether civil, military or naval, in the belligerent countries.
3. The results of the war outside the sphere of fighting, the progress of surgery, the prevention of contagious disease, the new scientific discoveries, etc.

The new volume will bridge the gap between the days of peace before and after the war. It will be printed and bound to match the Britannica and the publishers guarantee that no matter how difficult and costly the supplementary volume may be from the editorial point of view, the price of it to all who purchase the Britannica during the present sale will not be more than that of a corresponding volume of the Britannica.

to be followed by small, convenient monthly payments for a limited period.

### IMPORTANT—PLEASE READ

As so few sets are left of The Encyclopaedia Britannica, "Handy Volume" Issue, printed on India paper, we are obliged to state that no order can be accepted with the privilege of returning the set. Any other course would be unfair to our customers and to ourselves. It is evident that we shall receive thousands of orders in excess of the number we can fill. To take back sets from some customers after refusing, for the want of stock, the orders of others, would be manifestly unfair to those whose orders were refused. It is understood, therefore, that this order for The Encyclopaedia Britannica is not subject to our usual rule of return of goods and refund of money. We guarantee delivery in perfect condition and that The Encyclopaedia Britannica will be exactly as represented. Please bear in mind that this is the condition on which we ask you to send in your order.
