HOUSE AT ONCE so as to prepare for the
future. Prices are now advancing, and they
will advance much further before this fall.
The present cost of labor and materials makes
it impossible for builders to start any new
building operations of middern dwellings except at a large advance in price over furmer
prices of labor and initerials. The wholesals
destruction of buildings and the general devastation on the other side of the water will
shedurely prohibit any labor coinsing to this
country for man's years, and for the reason
our labor market, which now is insufficient
for the present defined will become less able
to supply the increased demand in this country. WE BELIEVE THAT THE PRICE OF TOUSES IN THIS CITY WILL ADVANCE AR BEYIND THE PRESENT PRICES EMBERTON ESTATES 58th and Willows avenue, 58th and Pentridus Perace, 58th and Florence avenue.
