Un Ingegnere Italiano Disegna Un Piroscafo Mercantile Che Non Puo' Affondare

ATTACCHI RIBUTTATI

L'On. Nitti Parla delle Relazioni tra l'Italia e la Grecia e Nega il Conflitto

ROMA, 29 Giugno,
L'ing. Umberto Pugliese, ufficiale del
Genio navale, ha disegnato un nuovo tipo
di nave mercantile per il trasporto di merci,
nave che non può affondare. Il progetto,
che qualche tempo fa fu presentato al
Ministero della Marina, e' stato accettato, e
si, ritiene che si procedera' subito alla
costruzione di questo nuovo tipo di nave non
soltanto in Italia ma anche nei cantieri ingiesi, francesi ed americani. glesi, francesi ed americani.

La Rivista Maritima, che nel suo ultimo umero si occupa di questo nuovo tipo di ave, dice in un articolo che essa sposta nave, dice in un articolo che essa sposta 10,200 tonnellate e puo' prendere a bordo un carico di 5800 tonnellate. La nave ha una doppia carena e lo spazio tra le due e' riempito di carbone ed altro materiale in-teso a proteggere la nave dallo scoppio del

Questa e' stata particolamente intensa nella zona del Cel Bricon, al Passo di Monte Croce, nella Carnia, ed est di Gorizia e nella Bona del Dosso Faiti. Leri sera un attacco del nemico contro

le nostre posizioni dei Passo d'Agnello, sull'altopiano di Asiago, da noi recente-mente conquistate, fu immediatamente respinto dalle nostre truppe e dal fuoco delle nostre batterie.

Il Ministero della Marina ha annunciato che nella settimana scorsa terminata il 24 corrente un solo piroscafo italiano fu affondato dal sottomarini nemici. Nella sa settimana entrarono nei porti italiani ERI navi e 536 ne uscirono.

Telegrammi da Amsterdam dicono che nel Reicharath fu discussa una mozione dei socialisti chiedente l'apertura delle trattative di pace. L'ON, NITTI E LA GRECIA WASHINGTON, 29 Giugno.-L'on, Fran cesco Saverio Nitti, membro della missione Italiana agli Stati Uniti, ha amentito ener-gicamente le voci secondo cui i governi d'Italia e di Grecia si trovano in disaccordo. Egli ha dichiarato invece che Venizelos gli ha scritto esprimendogli assoluta fiducia nella politica del governo italiano e denunciando le voci di disaccordo che sono sparse ad arte da agenti tedeschi e germanofili. L'on. Nitti ha detto che la presenza di truppe italiane nell'Albania non significa punto che l'Italia cerca un protettorato asclusivo su quella nuova nazione. Il governo italiane invece vince per l'Albania.

"REPTILE" MATTER SEIZED

Pamphlets Issued by German Foreign Office on Way to Pulp Mill

LONDON, June 29.—The prize court today condemned 1500 bags of "reptile press" matter sent out by the intelligence department of the German Foreign Office and seized on three steamships. There were many thousands of pamphlets in various languages, Dutch, French, Arabic, Spanish, mainly denouncing the British rule in India. Some of the stuff was intended to reach even Bolivia, but it will arrive only at a pulp mill. arrive only at a pulp mill.

Of peculiar satisfaction is the Legislature's action to the Bourse and its allied trade organizations, since it was at the request of the Bourse, made in the form of resolutions adopted by its board of directors, that the joint committee on commerce and navigation of Councils gave a hearing on the project of the school's recestablishment, which crystallized the sentiment for such action. At this hearing, representatives of the Bourse, Board of Trade, Maritime Exchange and shipbuilding companies showed the necessity for the school and indicated the solidarity of the city's shipping and business interests in its favor. Bourse members say they are certain Councils will immediately appropriate the city's share of \$25,000 for the school and that its re-establishment will be pushed as speedly as possible. as possible.

Flying Machines for Use in France to Receive Tests at Atlantic City

TO TRY OUT SEAPLANES

ATLANTIC CITY, June 29.—Scaplanes to be sent abroad with American battle-ships to join the destroyer flotillas in war-fare against German submarines are to be assembled in Atlantic City and tried out over the ocean by some of the mechan-icians who will use them in action, according to plans announced here.

A large section of land owned by the Pennsylvania Railroad at Maine and Casplan avenues, and formerly used as a base-ball park and a showground for Wild West shows, has been taken over by the Curtiss Aeroplane and Motor Company. Work already has been started upon a

building of brick and frame construction, 100 feet long and 200 feet wide, which is to coat \$20,000. It will contain workshops on each side and a large assembling room in the center. The location of the plant is particularly adaptable because it is not more than 250 feet from the Inlet, with open ground intervening. Even in the roughest weather the Inlet is seldom too ough for the launching of sea flyers.

It is the understanding here the reas a training ground for a corps of twenty flyers. mainder of the land acquired is to be used

READING NURSE SENDS MESSAGE FROM BRITAIN

Red Cross Unit Member Writes of Experiences in England. Now on War Duty

READING, Pa., June 29. Mrs. Alfred S. Albright, of this city, is receipt of a letter from her daughter Miss Carrie Albright, which gives many nteresting accounts of her experiences in England. Miss Albright, who is a graduate of the Germantown Hospital, Philadelphia, milsted with the Red Cross Unit, No. 10, which is now engaged in Red Cross work momewhere in France." The message was lated June 9, from London. The letter says:

In London we were met by Mrs. Page, wife of the American Ambassador, and Colonel Brodley, of the American forces. We are leaving London for France. We do not know our destination and will not be able to make our station known when we do arrive. This is done for safety, and our letters are all received through the British War Office.

General Pershing and his staff stopped at a hotel only a block away from where we were located in London. As I am writing this letter I can't stop thinking of the wounded soldiers I met in the

ROME, N. Y., June 25.—At a convention of the Third Oneida County District of the Woman Suffrage party here the action of the White House pickets at Washington was condemned by a rising vote.

MINNEAPOLIS, June 29.—The Minne-sota Woman Suffrage Association has lesued a statement denouncing the recent activities of pickets of the National Woman's Party about the White House in Washington and declaring that these actions do not represent the sentiment of the National American Woman Suffrage Association.

First War Bride in Ambulance Camp ALLENTOWN, Pa., June 19.—The dis-inction of becoming the first war bride of member of the United States Army Ambulance Corps, in camp at the fair grounds, will be conferred upon Miss Helen E. Clark-son, of Washington, who is to be married on Saturday to Wallace F. Baker, known the country over as a professional motor-cycle racer, and who is a member of the Washington unit. He expects to be ordered to France in a few days. The marriage license was taken out here today.

COTTON TRADING PROHIBITED Board of Trade Forbids Purchases Except Under License

LONDON, June 29.—The Board of Trade has issued an order under the defense-of-the-realm act forbidding, except under li-

cense, any purchase or sale of raw cotton. The Liverpool Cotton Association, at a meeting today, adopted its new rules regulating trading in futures, which hence-forth is to be confined to buying by spin-ners or importers against sales of actual cotton. "Straddles" or speculative dealings are forbidden

The prices of futures will be advanced or reduced from time to time by the committee on the basis of prices prevailing in the southern States of the United States for American futures and in Alexandria for Egyptian futures.

SOLDIERS' NOMINEE BEATEN

Son of Lord Derby Overwhelmingly Elected in Liverpool Division Election

LONDON, June 29.—The result of the election in the Liverpool division is: Captain Lord Stanley, coalition, 2224; Hughes, candidate of the Discharged Soldiers and Sailors' Federation, 794. Less than half of the electors voted.

The discovery that the most of Hughes's nominators were naturalized Jews, who were associated with the So-cialists in peace talk, killed any chance

PERSHING'S MEN NAMED SAMMIES IN FRANCE

Nickname Likely to Take Place Beside Those of Tommies and Poilus

General Pershing's fighting men in France have been nicknamed the Sammies—Uncle Sam's Boys—and the title bids fair to stick. It will take its place alouside of Tommies for the British, Polius for the French and Boches for the Germans.

In connection with temporary training behind the lines, the Sammies will learn more than they have previously been taught as to bomb and grenade attacks, the new British bayonet system and similar develop-ments of modern warfare.

The War Department still awaited today receipt of a full report on the arrival of the Pershing expedition. Thus far it had had only a preliminary report, which was with-

Authorities here feel that arrival of the expedition will serve not alone to hearten the Allies, but that it will send a thrill rough this country which will spur recruiting and vitalize war preparations.
