

# MR. WAGE-EARNER

Make a Vow Today That You Will Be More Careful. Your Wife and Children Are Praying for Your Safety.

Guard Against the Little Accidents

Observe Safety Lessons from Near Accidents

If your work is such that you should wear goggles, by all means wear them. A man's eyes are his greatest asset.

Many a man has lost a finger through wearing ragged gloves while working at fast-moving machinery.

And many a man has lost an arm from an apparently harmless little sliver. Remember it takes several days for blood poisoning to develop. It may then be too late.

**YOUR EMPLOYER WANTS YOU TO TAKE THE NECESSARY TIME TO HAVE YOUR INJURY DRESSED IMMEDIATELY.**

If you are learning a trade don't take a chance and pretend that you understand the working of machinery. Let somebody show you.

Don't trespass on railroad tracks in rushing to and from your work.

**Co-operate Earnestly With Your Foreman in All Accident Prevention Work**
