BRENNER IN FINAL WITH W. U. DEWEES

Clarey and Klauer Eliminated in Bala Invitation Golf Tourney

BOB HOFFNER A WINNER

Winner W. Dewees, the twenty-year-old youth from North Hills, is apparently the winner of the first sixteenth in the annual Bala Golf Club today.

Clarey and Klauer, the two runners-up, were eliminated in the first round here this afternoon. Hoffner defeated his fellow townsman, E. C. Clarey, one up on the eighteenth hole, and Dewees won from George C. Klauer, the Bala club 4 and 2.

Dewees surprised the wisecracks this morning by easily defeating Klauer. Dewees was on the fifteenth green in his fourth and Klauer shot his second ball out of bounds, while his fourth was over the hole.

The match was well contested for the first eleven holes, but Klauer began to lag behind when he missed the hole on the eighth and gave Dewees the lead of one hole.

Invitations have been issued to all left-handed golfers in the United States to compete in the great "southpaw" golf tournament to be held at Midlothian, Chicago, next week. The title of champion left-handed golfer of the United States will go to the winner.

The competition will be a thirty-six hole handicap, with a gold medal for low score and a secondary medal for best net. Entries closing with the secretary of the club at Blue Island, Ill. should state the entrant's club handicap and his lowest score for the season.

Midlothian has some of the finest left-handed golfers in the United States and they are determined to show by the brilliant aggregation and play next week that the report of left-handers being constitutionally and physiologically disqualified from playing as good golf as right-handers to be a sad and silly delusion.

Store Nine Easily Defeated Ward Industrial Team by 5-to-1 Score

GLOCK GETS A HOME RUN

With Apau pitching and hitting in the best of form, the Lit Brothers nine easily defeated the D. L. Ward team of the Industrial League by the score of 5 to 1.

Apau's bat started the store nine to victory. His single in the third started a rally which netted two runs for his side.

Until the eighth, the industrial team gathered two hits, which were of the pop kind. In the eighth, with two gone, Glock, the center fielder of the Ward's, hit one of Apau's curves to right field. Malley, the right fielder of the store boys, played the ball poorly, and by the time it reached the field Glock was over the plate for the only score made by the industrialists.
