A Used Car in Good Mechanical to Run or Maintain

We do not want you to rely merely on our assertions. Instead, we ask you to prave them for yourself. You are permitted to drive the car for seven days, so that you can satisfy yourself that it is all we claim it to be. If it doesn't come up to the standard we set—then we want you to return it and set your money. The day of considering automobiles a luxury is past. What they cost for pleasure and relaxation—at the end of a hard day's work—is overcome by the time they save you in husiness hours.

Simply because you visit us does not place you under obligation to purchase. It is your privilege to take advantage of reasonable terms regarding payments; and for those who cannot find time in business hours.
