Major Yale Didn't Go to France

Major Arthur W. Yale, of 2008 Walnut street, organizer of the Stonemen's ambu-tance units, who was in command of them

when encamped at Allentown, did not leave with his men when they salled for service in France, it was learned today. Instead, he has been assigned to Fort Benjamin Har-rison, where he will undergo further train-ing before being sent to the front. Colonel Persons, in command of the Hartown

Persons, in command at the Allentown camp, denied there was any discrimination in sending Major Yale to Indiana and that

there was any trouble at the bottom of the

transfer.

"Group B includes the men who have been trained in the work of making rifles shells. It is impossible to replace them with inexperienced men.

"Group C includes very valuable men, but appreciating the necessity of raising an we will waive exemptions on all men in this group."

CLAIMS SEPARATE

Garrett announced that each exemption claim will be treated separately and that the concerns will file an affidavit setting that each man filing an exemption claim is essential in the operation of the plant with which he is connected.

"The men,' he added, "have agreed to continue at work, and in the event an exempted man is discharged or quits our employ a notice will be sent to the local draft board which has the power to draft him into the military service. Every man who is exempted will be photographed. So it will be impossible for protographed. t will be impossible for any slacker escape

orney Robert M. Anderson, represent ing the Philadelphia Electric Comany, in-formed the board that 1500 employes of that company are eligible for the new army and that the company would request the exemption of only about twenty-five

David Lupton, of David Lupton Sons and iompany, made a similar request for fifty ion employed in the company's plant in rensington. Lupton said that his company a turning out vast quantities of materials for the new army car men cannot be replaced. army camps and that

Chairman Willard intimated a batch of exemptions will be handed down tomorrow. A dragnet for sinckers in Philadelphis has been spread by Federal authorities.

Several district registration boards failed to respond to the physical examina-tion call after being notified to do so. The search for these men has begun.
