Young Men and Boys WENONAH, N. J.

WENONAH MILITARY ACADEMY

Where character, manliness and honor are developed. An independent unit in your boy's education and not merely a preparatory school.

Your boy at Wenonah will be a man in the making—a storehouse of fine possibilities. He will be individually studied. He will be taught how to study—how to learn. There will be a drawing out of intellectual, moral and physical qualities. The boy responds because the Military System brings out all that is good and munly.

Wenoush is healthfully situated in a solely residential town; 12 miles from Philadelphia — with the usual Academic, Classical, Special and Business Courses. A catalog for the parent and a view book of athletic and military life for the boy will be mailed upon request.
