Then, too, trains or trolleys seldom run to sult your personal convenience. They travel on schedule. Consequently your men have to wait many times. But how much different it would be by motor car! There would be no lost time—and your men could always take the most direct road.

And no car would be more suitable for your traveling men than one of our **USED CARS**

We receive them in trade from people who purchase the new PAIGE CAR through us. As local distributors of the PAIGE we are, of course, not Used Car Dealers. Therefore we are extremely careful to accept only mechanically good cars in these trade deals. Than, when we receive them, we send them to our own private repair shops, where each and every part is properly and therotopingly adjusted. This done, we guarantee and sell them on OUR SEVEN-DAY TRIAL OFFER

which gives you an opportunity to prove that each car is just as we represent it to you. And if at the end of seven days it does not come up to the standard we set for it—we ask that you return it and we will refund your money. For men who are busy in daylight hours-we would remind you that we are oper evenings till ten o'clock. And terms of pay-ment are arranged so as to be satisfactor;
