## HEFLIN AND NORTON IN HOUSE SCUFFLE

Personal Encounter on Floor Climax of Bitter Slush Fund Controversy

WASHINGTON, Sept. 28.—The House was thrown into a furor this afternoon as a climax to the bitterness growing out of Representative Hefflin's insinuations against the loyalty of some members.

Representative Norton, of North Dakota, and Hefflin engaged in a scuffle during which the Alabama man rolled from his seat to the floor. Representative Cooper rushed over from the Republican side, only to be warned off if he didn't want to get into it, too, and finally order was restored by a loud call from Speaker Clark for the sergeant-at-arms.

No blows were struck, and the only damages were ruffled feelings and rumpled clothes. Both Hefflin and Norton immediately left the chamber, while some members talked of extraordinary measures for both men.

The trouble came after the Rules Committee reported decision to make no investigation of Hefflin, the privilege of making some comment on the Rules Committee's action. He strode over to Hefflin's desk and shortly afterward the two were locked in a scuffle.

Norton explained his sudden attack by saying he went over to ask Hefflin if the latter had reflected on his loyalty. He said Hefflin told him shortly to get back on his own side of the aisle, too. Hefflin made some insulting remark.

Representative Johnson, of Kentucky, was in the chair when the fight started. He stood confused for a moment. Speaker Clark entered the room unexpectedly and shouted for the sergeant-at-arms.

The latter rushed over to the combatants with the mace of the House in his hand, when the men desisted.

## GRAND JURY TO PROBE ELECTION IN NEW YORK

Mitchell's Backers Prepare for Race of Their Candidate as Independent

NEW YORK, Sept. 28.—Grand Jury investigation of the primary election in New York was made certain today as a report of bailiffs gave William S. Bennett such a lead over John Purroy Mitchell as the Republican candidate for Mayor that Fusion managers unofficially conceded Mitchell had been defeated.

Bennett's lead early this afternoon was 552, against the majority of 255 given Mitchell on the first count.

Mitchell's backers turned their attention from the recount to organizing for a hard fight with the Mayor as a candidate for reelection on an independent ticket. The Fusion managers will ignore Bennett and center their efforts on a light against Judge Hyman, the Tammany candidate.

District Attorney Swan announced he would submit evidence of fraud in the election to the Grand Jury Monday.

Emory R. Buckner, newly appointed Fusion manager, formally announced that a petition for Mitchell's nomination on the Fusion ticket was going out this afternoon. Such a petition requires 2000 signatures.

## FISH RATES CONTINUE ON CHEAPER SCALE

Sweet Potatoes, Cantaloupes, Peaches and Lettuce in Plentiful Group

Vegetables in the abundant class and fish continue cheap, according to an announcement by J. Russell Smith, chairman of the Food Commission of the Home Defense Committee. Fortunately, there is an abundance of substantial food, although prices are still much higher than last year.

Sweet potatoes have now gone into the plentiful group, selling from seventy-five to eighty-five cents for a five-eighth basket for first-grade Jersey potatoes, and forty to fifty cents for second grade. Those from Virginia, coming in by barrel, sell from \$2.75 to \$3.25 for a three-bushel basket; second grade from Virginia sell from \$2.25 to \$2.75. String beans are a little cheaper, selling from thirty-five to sixty-five cents for a five-eighth bushel basket; tomatoes continue at twenty-five cents to \$1.25 for a five-eighth bushel basket, and sugar corn at one and a half to two cents an ear, whole sale.

## HEARS FARE COMPLAINT AGAINST SUBURBAN ROAD

Philadelphia and Western Patrons Tell of Increases Before Commissioner Ryan

Complaints of residents along the line of the Philadelphia and Western Railway, which company has increased its rates since July 5, were heard today by Public Service Commissioner Ryan in Councils finance chamber.

Through Attorneys Ward W. Pierson and Harold S. Shertz, the complainants pointed out that the rates of fare had been increased on single tickets from \$8 to \$9 per cent, proportionate to the distance, while ten-trip tickets had been increased from 2 to 3 per cent.

It is contended generally that there is no necessity for the increases, as the company earned considerable money at the old rates. In the hope of proving this contention, Thomas A. Newhall, president of the company, was called to testify. He was questioned as to the financial condition of the company at the time of its organization and during the intervening years. Since July 5 the company has been losing money.

Complaints were made by residents for the season, as he had made all arrangements for closing his Surrey place cottage, where he had spent a happy summer, and returning to Philadelphia today.

## INSURANCE BROKER LOSES LIFE IN LAST SURF DIP

ATLANTIC CITY, Sept. 28.—Henry B. King, of 4614 Spruce street, Philadelphia, an insurance broker, met his death under tragic circumstances in the breakers at Ventnor City yesterday.

He was taking his last ocean bath for the season, as he had made all arrangements for closing his Surrey place cottage, where he had spent a happy summer, and returning to Philadelphia today.

## PHILADELPHIA BOY KILLED BY ACCIDENT IN FRANCE

James A. Tracey, of Company F, Third Engineers, Meets Death, Brief Cable Tells Parents

Word of the death of James A. Tracey, of 1947 West Norris street, a private in Company F, Third Regiment, Pennsylvania Engineers, as the result of an accident "somewhere in France" has been received by his father, Edward W. Tracey. The cable telling of Tracey's death gave no details other than that they would be forwarded later from Washington.

A sad incident in connection with the calamity which arrived Wednesday was the receipt yesterday by his mother of a brief letter from him, saying, "I am doing fine. Only trouble we are having is in learning French. Expect to go the trick in six months."

Tracey, who was twenty-four years old, was formerly a salesman for the Mitchell Hardware Company, Trenton, and called for France on August 7 from New York.

## NAB FIVE BEARING SICK MAN

Become Suspicious When They See Dying Man Being Carried to Hospital

Five persons, including two sailors and a woman, were arrested by the police early today while playing the part of God Samaritans, they said, Joseph Gairy, 730 South Besinger street, early today by his wife. She appealed to two fellow lodgers, A. Butler and Roger Bailey, also negroes, to carry her husband to the Howard Hospital. Two sailors on the street, William Gilbert and William Riley, were asked to help. He policy, seeing the small procession, arrested all concerned.

Gairy died at the hospital from pneumonia poisoning. It is thought, Magistrate Coward held the prisoners in \$500 bail each for a further hearing.

## Taunts Drive Man Into Army

HANZLETON, Pa., Sept. 28.—Unable any longer to stand the taunts of fellow employees since he applied for exemption from the draft on industrial grounds and sole support of his mother, Robert Moser, an athlete of the Jeannette Iron Works, a munitions plant, resigned and offered himself for service.

## IDENTIFY VALUABLES

### STOLEN FROM HOMES

Suspected Germantown and Chestnut Hill Thief Held for Trial

Mrs. Louise Griebel, wife of Lieutenant J. B. Griebel, and daughter-in-law of John Griebel, president of the Union League, reported to the Central police station on Wednesday that a man had stolen the jewelry found on a man said to be Herbert A. Welch, thirty-three years old, of 355 North Water street. Valuables were stolen from the Griebel home in Chestnut Hill. The suspect was held under \$1900 bail for court by Magistrate Watson.

The prisoner is also accused of robbing the home of Mrs. Alice Meyer, 29 Bellamy road, Germantown, September 18, of jewelry valued at \$1500. It is believed he forced an entrance through a window at the back of the house. The arrest was made yesterday while the prisoner was attempting to pawn some of the jewelry.

## PRISONERS PICK THEIR JAIL

WILMINGTON, Del., Sept. 28.—Three prisoners in the Federal Court were sent to the New Castle County Workhouse for a year which their sentences were increased so that they might be sent to some other prison. The men were William Jones, Foster Jackson and Thomas Williams, who had pleaded guilty to violating the Government draft law.

They were given a year in the workhouse, but when they made a request for a change the Court accommodated them and gave them fifteen months each in the penitentiary at Atlanta. The men said that prisoners in Atlanta get greater comforts than those in any other prison.

## "Dinner for Two" on the Road

With an automobile the world is yours. "Yes, but motor tours are too expensive when you have to eat at the road-houses or hotels," you say.

### Cost About a Cent a Cube Safe Heat When and Where You Want It

—give you the healthful pleasure of outdoor eating combined with the comforts of a wholesome hot meal—have everything from baby's bottle to a man's size meal ready in less than it takes to tell. Steaming coffee, bacon and eggs, toasted cheese sandwiches—umm!—umm!—but they taste good, out in the open.

Theroz Fuel Cubes are about an inch square. Theroz is made by an absolutely new and patented process which converts a liquid into a solid (not a paste). Used in the Theroz patented burner which concentrates the heat, Theroz produces the hottest flame known to science—a true blue Bunsen flame.

**MOST ECONOMICAL:** Because a cube costs about a cent and you burn it off only enough to heat what you want heated. If a whole cube is not required, blow out and put it back in the can.

**What 2 Cubes Will Do:**

- Fry Steak, Fish or Small Chicken.
- Fry Potatoes.
- Make Welsh Rarebit.
- Make Pancakes.
- Chafing-Dish Cooking.
- Coffee Percolator.

**What 1 Cube Will Do:**

- Boils 2 Eggs.
- Heats Cans of Soup, Beans, Etc.
- Cooks Cereal.
- Makes 2 Cups of Tea or Coffee.
- Fries Ham and Eggs.
- Heats Flat Iron (without soot.)

**What 1/2 Cube Will Do:**

- Heats Shaving-Water.
- Heats Baby's Bottle.
- Heats Curling Iron (without soot.)

If less than a cube heats what you want heated, blow out the cube and put it back into can to be used.

## "SKY PILOT BILLY" SMITH NOW STOKER IN U. S. NAVY

The Rev. William Smith, who wanted to bring the gospel to the thousands of enlisted men in the navy, and who was rejected when he tried to enlist in the service himself, is now a member of the "black" crew in the hold of a great battleship somewhere on the Atlantic.

"Sky-Pilot Billy" Smith, as he was called by the men at the navy yard, came to the home of Mrs. Alice Meyer, 29 Bellamy road, Germantown, September 18, of jewelry valued at \$1500. It is believed he forced an entrance through a window at the back of the house. The arrest was made yesterday while the prisoner was attempting to pawn some of the jewelry.
