TELEPHONE OPERATING PORITIONS

OPEN FOR YOUNG WOMEN

These war days bring to our wires a rush of business and we must have more young women operators to handle it.

Experienced operators if they will apply today as early as possible, can so at once to regular and permanent positions with good pay.

The inexperienced ones we will shadly teach and pay them while they are tearning.

Telephone obserting for young women is pleasant work and with unusually agreeable surroundings here.

Protection is far more unplante in this working than any we know of in which women engage.

The ambitious appraiser of today is the supervisor and which current of tomorrow, supervisor and which current of the protection of the p
