Seven Days' Trial On All Used Cars

is a very unusual offer for an automobile concern to make. Neverthelms we do it. we do it.

Many people who buy the new PAIGE from us at the time of making
the purchase own cars of other makes. Quite often we are asked to take
the machines they have been driving as part payment for the PAIGE. In
numerous instances, muriding they are in socie condition, we accept these
agrs, not with any desire to make profit on them, but merely to obtae our
PAIGE customer. Then, so that we may quickly dispose of them, we let our
own mechanics tune these Used Cars up to the perfection they present
them new. After which we guarantee and sell them with the distinct under
tanding that if at the end of seven days the car does not measure up to
the standard we set for it, you return the car and we refund your money.
