ANNOUNCING A NEW KIND OF USED-CAR HOUSE

USED AUTOMOBILES

USED AUTOMOBILES

It is our belief that a used-car sales house, operated on the same high plane as our new-car sales companies, would command a large market for honestly sold used cars-then, too, in justice to the purchaser and the house offering exchange cars-an entirely independent organization should handle this business.

With these thoughts, we have opened a clearing house to offer only cars from our allied companies-these cars must be bought right or we would not own themthey will be sold right, too-no misrepresentation.

We Have Many Good Values Now Will Mail List

Sweeten Used-Car Clearing House
