VARE JUBILANT OVER CITY'S VOTE

"First Time in 235 Years All Newspapers Were Opposed to One Party"

MAYOR SMITH "GRATIFIED"

Senator Vare said today that the victory of the Republican ticket, in view of the unprecedented opposition of parties of all species, was little short of miraculous.

"It's the first thus in 235 years," he declared, "that all the newspapers of Philadelphia were opposed to one party. I think that a search of the city's records will show that. One would think that with the opposition of eight newspapers, the Democratic party, the Town Meeting, independents and a number of other parties I cannot keep track of, the Republican party would have peen crushed to a pulp. A victory against such overwhelming odds shows that there

must have been some merit in the fight put up by the regular Republicans. "I felt all along that a campaign of hypocrisy must fail by reason of the fact that it was backed by Senator Penrose and the defunct Democratic organization of our eity"."

The Senator said that returns from the The Senator said that returns from the soldier camps also increase the vote of the Republican ticket which will have nearly 15,000 majority. The latest returns from Camp Meade give the Republican ticket a majority of about 2000 and the vote af Camp Hancock will increase the majority of the ticket by about 400 more. The negro moldiers gave the Republican candidates a majority of 700.

At 1 o'clock the majority had dwindled to 22,000, and there were sixteen wards, most of them independent strongholds, still to be heard from, and the Vares, with thrector Wilson, eagerly waited for the returns from these wards. The jurades on the street were break-ing up about this time, but the Vare match-ers from the Forty-fourth Ward, in charge of Joseph T. Realty, screenaded the Mayor before they left for home. The Mayor was in his office with his family and the families of the Vares. Kenifick, Hazistt and others. He addressed the marchers from a window of his office, teiling them that the result of the election was a vindi-cation.

GREAT NIGHT FOR VARES

It was the greatest night the Vares ever

had. They said so themselves at a jubilation party held in the office of the Director of Public Safety, where State Senator Edwin H. Vare and his brother, Congressman William S. Vare, and twoscore of their follow-

ers received the election returns. Every one who is prominent in the Vare camp "dropped in" to remain for at least a few moments during the late, night and a few moments during the late night and early morning hours, and to congratulate the newly elected and re-elected county officers. They partook of a buffet lunch and even had the pleasure of meeting Mayor Smith, who joined them, with his family and the families of Senator and Congressman Vare, W. Freeland Kendrick and Recorder of Deeds Hazlett, for a short time. the new officers.

It was also a night of worry for the Vares and their followers. The Vare marching clubs, including the Sheehan marchers from the Twelfth Ward, were marchers from the Twelfth Ward, were ready to march as early as 8 o'clock, but the early returns were disconcerting to the Organization. They indicated a Town Meeting party sweep, and the marchers were told to walt. The Vares, with the county office candi-dates on the Republican ticket, and many of the Vare ward leaders, assembled in the effice of Director Wilson early.

SHEEHAN'S NEW SILK HAT

SHEEHAN'S NEW SILK HAT When the returns from South Philadel-phia and most of the central section of the city came in they ordered the parade to start. James B. Sheehan donned the new high slik hat he purchased in a burst of confidence a week ago, and led nis follow-ers up and down Broad street and down Chestnut. The Vare clubs were closed be-nind, and Congressman John R. K. Scott's ward club was not far behind. The red lights they carried completely dimmed the march of the Carey followers from the Fifth Ward, the anti-Mackey parade from the Forty-sixth, and the other town Meeting ward organisations that had gailantly marched through the crowded antice earlier.
