SCHOLASTIC RACE IN CLOSE FINISH

Victories for Northeast and West Philly Would Put Teams on Even Basis

FIVE TEAMS MAY TIE

By PAUL PREP

UNLESS Central High and South Philadelphia High uncover unusual and unexpected strength in their final Interschoastic Football League contests this week, the season will close with Northeast High and West Philadelphia High in a tie for ession of the Climbel Cup, emblematic or the high school championship. These two teams are now deadlocked for first place with six points each to their credit,

When asked about his pupils' chances for a victory over Coach Snyder's Red and Black team next Saturday, Doctor O'Brien stated that it would not surprise him in the least to see Central High on the top at the end of the game. In the game last the end of the game. In the game last Friday with the "Speedboys" the Crimson and Gold was handicapped by the absence of several of its best men. This week will be devoted to forming an offensive and defensive attack for the annual game with Northeast.

West Philadelphia, half posses or West Philadelphia, half posses or of first place in the league standing, will end us league schedule with the present title holders. South Philadelphia. Southern is in ne way outclassed by West Philadelphia. The champions have already demonstrated that they have the ability to come back after a stinging defeat. When they were defeated by Central High the wise ones mady shook their heads when mention was made of Coach Dean Johnson's agg egation. But the dope was all wrong, for Northeast was given its only defeat of the legue season, 21 to 19. Since that time the South Philadelphia men have been in a stump.

sump.

Northeast, with the greatest backfield is the city, will attempt to make it two straight over its nearest rival. Central High when they meet Saturday afternoor on Northeast Field. The Archive team will not be caught mapping in this contest, as a victory means the title or a tie for the honor. Coach Snyder has three cripples on the injured list at present, but they are expected to be in condition for the week-end game. Even if Quarterback Reeves, Right End Griffiths and Tackle Christensen are unable to play the Lehigh avenue school will not be under such a great handicap, as the first-string subs. Schneider, Watton and Wentzler, have proven their ability to stand up under the strain.

It is not impossible for the league race to

It is not impossible for the league race to faish in a five-cornered tie. All that is necessary is for West Philadelphia to lose to South shilladelphia, Northeast to South Philadelphia, Northeast to lose to Central High and Germantown defeat Frankford, Coach Lewis's men should exence no great difficulty in winning from Prankford, for, as Bill Donnell says, "class will tell." It is hard to pick the winner in the other two contests. The westerners and Archives are the favorites, but at this season is one surprise after an other surprise, the only safe way is to pick the winner after the games are over.

A post-season game will be necessary to decide the title if the favorites come through

Much of the credit for Penn's victory over Michigan should go to Dr. Buck Wharton, coach of the line men. Doctor Wharton, in the center, is seen in one of his characteristic poses while tutoring his men on Franklin Field. Cleary, the Penn guard, who blocked a punt and fell on the ball across the goal line for a touchdown, is on the left. Rodgers, the sturdy fullback on West Virginia, played a sensational game against Washington and Jefferson Saturday, as did Captain Bailey at center. Henry, the rotund 250-pound tackle on Washington and Jefferson, played the best game of his career against the mountaineers. Oliphant, of the Army, ran wild against Lebanon Valley on Saturday.
