Pennsylvania Garage advertisement. Text: 'Bring Your Car in Off the Street. Two thousand, three hundred automobiles were stolen in this city in the last ten months, according to the police records, less than half of which have been returned to their owners. Every one of those cars had been left standing on the street! Is it worth the risk, when you can leave your machine in a heated, fireproof garage, safe from thieves and weather, for the nominal price of fifty cents a day or evening? Bring your car in off the street. Bring it to the most modern, most spacious, best-equipped garage in the State—the palatial, \$800,000 PENNSYLVANIA GARAGE (Formerly Bellevue-Stratford Service) Broad and Pine Streets—in the Heart of the Theatre and Shopping District. Here is unquestionably the finest, most magnificent garage in all Pennsylvania, if not in the entire United States. Ten floors of reinforced concrete, comprising 133,000 square feet of space, are devoted exclusively to automobile storage and service. This is in addition to a fully equipped basement and roof. Five hundred cars can be accommodated regularly. Seven hundred could be handled in an emergency. Three large high-speed elevators expedite the safe transfer of autos from floor to floor. No matter what floor your machine is on, you can get out in a few minutes. Each floor is provided with a draw-off for Atlantic Gasoline, the gas that "Puts Pep in Your Motor," and Atlantic Motor Oils, the lubricants that "Keep Upkeep DOWN," in addition to a washing platform with running water. Every floor is literally a complete garage in itself. There is a fully equipped repair shop, with a force of skilled mechanics, painters, vulcanizers, woodworkers, etc. You can have a puncture repaired or you can have your car entirely rebuilt. No job is too small or too big. Shower baths and the most up-to-date wash-room facilities are provided for employees. Not the least important feature of the new Pennsylvania Garage is the clubroom for the chauffeurs of patrons. James can put your car in storage, drop into the cozy, free clubroom for a little sociable game with his fellows in warm, clean environment, bringing your auto to you when you want it. You also know where you can reach him any minute by phone. In addition to the regular repair service, there is a complete tire-service department where you can buy new tires and tubes, chains, electric bulbs and other accessories. On the street floor is a ladies' rest room, with modern washroom and three telephone booths. On the second floor is a modern, sanitary barber shop. Steel, fireproof lockers are provided for owners or drivers of cars storing regularly. The Pennsylvania Garage is a central filling station for Atlantic Gasoline and Atlantic Motor Oils and Greases. You are cordially invited to call and go through this garage-palace. Do come and see it. General Charges: Flat Storage: Cars may be moved at will, no attention, all makes \$15 per month, and \$1.50 for each wash-and-polish.
