Tomorrow, the GREAT Day in Furs of Concentrated Value!

CHRISTMAS approaches! Fur-coat time is at hand, and the beautiful garments here offered represent the very epitome not merely of luxury, but of comfort and investment value. Coats of sterling quality they are—and each one is an investment at today's figures.

But do not misunderstand us. While this event is in nowise a sale, we have made it a great pre-Christmas opportunity for gift buyers to purchase furs now, and we assure you that within merely a matter of weeks they will be worth more money than you pay for them today or tomorrow:

A WORD TO MEN BUYING FURS FOR GIFTS TO "HER"

A MAN is often in a quandary as to what to buy wife, mother, daughter or sweetheart. Furs are always welcome—always!

Mawson & DeMany pledge these important concessions to men.

Make whatever selections you will and reserve them in our fur vaults until you want us to deliver them.

If "She" should not like them, we will guarantee to exchange them for furs she does like after Christmas.

So it is impossible for you to make a mistake at Mawson & DeMany's. We are bound to see "her" pleased.
