rector Cassatt on New **Campaign** Plans

The demand of employes of the Fire STAMP DEMAND HEAVY

Bureau for a flat increase of \$150 year is likely to be entirely ignored by Councils, due to precedence being given the demands of the Bufeaus of Police, Water, Electrical and Survey. To give the police the \$1.151,000 asked for in the smaller Mollie Sends Her Mite and Proud Grandfather \* o Boosts Day's Total

To give the police the \$1,131,000 asked for in the smaller of the two bills now under consideration would almost wipe out any balance left after the regular 1918 budgets are cared for. Final revision of the annual appro-priations of all county departments will be completed by Councils' Finance Com-banks, stores and clubs are now selling mittee today and if time permits some

the thrift stamps and certificates, but

of the departments under the Mayor, iogether with their salary requests, will be considered. The present program calls for a report on Thursday of in-calls for a report on Thursday of in-Pennsylvania's quota of the \$2,000,creases for the Bureau of Police. De- by the thrift-stamp plan is \$115 719,020. than the increases already allowed Water Bureau mechanics will have to headynarters today. but it must be used to have the backing of the Benevő efit and Ner Cassatt Mr. Cassatt.

have the backing of the Benevé eft and Protective Association of Water Bureau Employees that includes in its member-ship two-thirds of the Water Bureau workers. To add to the troublas of the samely

workers. To add to the troubles of the council-manic financiers city detectives have joined the ranks of the men seeding pay boests. Their demand, although the hast submitted, is also likely to be given precedence over the demands of the Fire Bureau, as the firemen appar-ently have few to champion their caue in Councils.

And, Mr. Presencetive Furchaser, these starms when attached to a war savings certificate become a load of the United States Covernment, and his just as good as Liberty Bonds or any other Govern-nient bond. They bear 1 per cent fa-terest, which is compounded quarterly.
