SLOW WORK IN DRAWING JURY TO TRY SOCIALISTS

Ten Men Empaneled but Still Subject to Peremptory Challenges

Selection of a jury to try four memsers of the executive committee of Sc alists on charges of disseminating anti-Iraft literature through the mails to enlisted and drafted men proceeded tedlusly today before Judge Thompson it the Federal Court. Unless the counsel walve their right to peremptory challenges, indications are that a jury will

not be empaneled until tomorrow. Challenges) for cause, principally u

Challengesvor cause, pulledness under prejudice against Socialists, are now being exercised by Henry John Nelson and John S. Gibbons, counsel for the defendants, and when these are ex-hausted they have the right to ten peremptory challenges, and the Govern-ment to six of the same character. After the henry commution upon the qualifive hours' examination upon the quali fications of larors ten men were seated in the box, but these may be excused upon percentary challenges,

The Government charges that in the distribution of anti-draft circulars and other literature the Socialists intended to cause insultorilization, mutiny and mutiny and the enlisted

disobedience of orders by the enlisted and drafted fuen, to defeat the conscrip-tion law, and also to retard enlistment and recruiting. In his examination of the jurors Nel-son indicated that the defense would be that the defendents were within their that the defendants were within their onstitutional rights in circulating the interative in an effort to secure the 're-peal' of what they regarded to be an unconstitutional law. Nelson will also attempt to refate the accusation that the interation was to cause disloyalty among the troops.
