## Three Questions Every Wealthy Man, Who Is Not Blindly Indifferent to Facts, Should Ask Himself

First Question

Have I sufficient ready CASH laid aside to pay the Federal and State Inheritance tax on my estate? As a minimum these taxes vary from about \$2,500 on a \$100,000 estate to \$350,000 on a \$1,600,000 estate and must be paid part within 6 months and all within 1 year or a heavy penalty is added.

Should my executors be obliged to sacrifice, at great loss, securities which I may leave for the purpose of raising the money necessary to meet these inheritance taxes?

How can I best protect my estate and make sure that my beneficiaries receire the amounts I bequeath them in my will?
