Il Ministero della Guerra in Roma ha disposto che per il 15 corrente gennaio si presentino alle armi tutti coloro che, precedentemente riformati e poscia soggetti a nuova visita, furono dichiarati abili al servizio militare. Questa chiamata comprende tutti gli uomini dai 18 sal 44 anni di eta. Si calcola che l'egerito sara' così' accresciuto di altri sel.

Woman Dead; Many **Hurt on Icy Streets**

The engineer of the Delaware, who Continued from Page One had just been relieved and was on his advantage of the situation. way home, was on the Hammonton. He said that not in all his years on the Delaware River had he seen such ice.

Two persons are dead in the nine seriously injured as a result of the seriously injured as a

in solid sheets. He said several vessels are fast in the lower river. Another passenger said that on Sunday, shortly before the Wilson Line boats to Hog Ialand, were withdrawn, he saw persons walk across the river at Paulsboro, half an hour after the Hig Island, were half an hour after the Hig Island veshad cut a way through, so quickly the ice pack and freeze.

Automobiling on the river is the latest form of winter sport at Burlington. Raymond Simpkins, with a light racing model and four passengers, set the provids crossing the ice-bridge between rlington and Bristol gaping as he ap-ared speeding up the middle of the er, racing an ice yacht manned by a rew from a Burlington boat club. Late yesterday a heavy touring car riven by Edwin Warner, of Bur-ngton, and with Frederick Peter, of arilington, as a passenger, ran upon a en of thin ice in midriver between burlington and Bristol. The fore wheels roke through the surface until the hassis rested upon the ice.

There was no skating on the Park skes today, the lakes havinb been closed the public because of the inroads ade on the ice by the warmish weather

is treek's snow from the streets, but out 10 o'clock the thermometer fell a few degrees below freezing and ery rainforp became an added menace pedestrians. Falls on the ice were equent. Street-car traffic on many less was seriously impeded and cars tree compelled to crawl at a slow pace.

CY PAVEMENTS CAUSE NE DEATH IN NEW YORK

NEW YORK, Jan. 7 .- One man was

NEW YORK, Jan. 7.—One man was seed and several persons were injured a worning on key walks and pavents. I must began falling early in the night was still strong early today. Sideliks were coated with extremely slick. Trolley cars sputtered and fumed. Was and skidded into stations. All apportation was slow, with the exception of the subway, which was slow and followed the route taken by General Washington's troops in the retreat after.

28,000 Tons Arrive

long as the mild weather lasts, according to Francis A. Lewis, chairman of the Philadelphia coal committee.

COAL FOR THE POOR

Mr. Lewis has collected \$6000 of a \$10,000 fund for which he appealed to purchase all surplus supplies of the fuel and deliver it to the needy. Following his request to all householders, business men and public institutions to give up all coal in excess of thirty days supply he has received 120 tons of coal, twenty of which were which was supplied by the Calvary Presbyterian Church. This coal will be loaded into wagons and put into empty cellars. This is not a charitable enterprise, be pointed out, but merely one of

Nearly a'l of the public schools that have been closed due to the tack of fuel will reopen today, J. H. Cook, su-perintendent of buildings of the Board Education, said. Coal has been distributed to all that burn anthracite, and stati attivissimi. Riparti nemici repaired, Four of the institutions burn soft coal-the Germantown High italiane tra il Brenta ed il the Frankford High, the South Philadel

LA SALLE COLLGE STILL CLOSED The Catholic parochial schools closed o naccount of the coal shortage were reopened this morning. La Salle College, however, continued its enforced holidays begun a week in advance of the Christmas adjournment. Enough coal to reopen the college is expected daily, according to the Rev. John E. Flood, superintendent of parochial schools.

The many recreation centers through-out the city, kept warm for the relief of poor families without fuel, were virtually empty. Persons who have suffered dur-ing the last week remained in their homes, fairly comfortable because of the rise in temperature.

the respite was but temporary, continued di intervalli, anche di mitragliatrici e di fuccieria.
