ORABLE TO WILSON'S AIMS evik newspapers regard Presi-lison's message with mixed feel at on the whole the verdict is

s unquestionably a very important at event," declared the Daily Natioday. "Russian democracy must the program outlined with the st attention in view of the declaratgainst Russia's terr'torial division ainst a peace at our expense. Even than Lloyd George's speech, it the evolution of opinion of rulers the Allien' replies to the Pope."

Pravás criticised the message, but that "America now shows her aim and her readiness to co-operage-secretal peace battle."

ed'torial attacked the President's for giving evidence "that the can bourse not only recognizes the

VE COAL and get ORE HEAT

TONI PTATIANI power of the Bolsheviki, but has announced its severance with them."

Comment of the Novayashisk was distinctly unfavorable.

"It is unsatisfactory in many points,"
the editorial asserted. "It has an imperalistic character. It cynically pro-claims the right of self-determination of foreign peoples, but not of those un-der Allied rule."

TURKS BREAK TRUCE

AS PEACE DICKERS FAIL LONDON, Jan. 14. - forts by the Germany envoys at Brest-Litovsk to im-

The Turks, whose terms were rejected by the Bolshevik delegates, are re-ported to have broken the armistice on the Armenian front and fighting is be-lieved to have been resumed there.

A dispatch from Kuban said that the Turks had landed 20,000 troops from Black Sea transports near Trebizond, and that a submarine, which was with the transports, had sunk a big Russian transport. Both acts were in direct violation of the terms of the armistice.

damage, interrupting the enemy's lines of communications, already seriously affected by the mountain anows.

"Italian artillery yesterday shelled enemy forces on skis east of Tonale," on the western side of the Tyrol, says the current Italian official statement.

Negotiations which were being carried on between representatives of the Cen-tral Powers and the Bolshevik Govern ment at Petrograd to settle economic questions and arrange for the exchange of prisoners has been suspended, pend-ing the action taken by the conferes

retiring British Ambasrador at Petrograd. Sir George has reached Stockholm on his way to London, and a dispatch from that city today quoted him
as saying:

Rigby retires from the race.

Definite announcement of the McCormick-Paimer choice for the Democratic nomination for Governor is expected within a few days, the direct result of A. Mitchell Paimer's conference in Philadelphia with Democratic leaders.

"It is too soon to indicate the probable cominee on the Democratic ticket for the Governorship," said National Committee-man Palmer, "but you can rest assured the Democrats are going to elect the next Governor of Pennsylvania.

"Yes, Senator Sproul and I are personal friends," replied Mr. Palmer when reference was made to his relations with the probable Republican nominee for Governor. "We are members of the same fraternity." he added, "and sat side by side at the Swarthmore dinner Saturday night, but that does not alter conditions. The Democrats will defeat Senator Sproul or any other man the Reator Sproul or any other man the Re-

with the McCormick-Palmer combination. John S. Rilling, of Erie, member of the State Public Service Commission; Joseph H. Reilly, who has large coal interests in the central section of the State; State Senator William C. Sones, of Lycoming, and General Richard Coulter, of Westmoreland, are among other Democrats mentioned for the governorship. On his recent visit to this city Senator Sones indicated that he would be a candidate to return to the Senate. There is some talk of Judge Eugene C. Bonniwell, of this city, as a freelance candidate for the Democratic nomination for Governor. As president of the State Firemen's Association Judge Bonniwell has a distinctive following

Bonniwell has a distinctive following in every section of the State and should be receive the backing of the anti-Mc-Cormick contingent and the great body of Democratic workers who are not in sympathy with the views of McCormick upon the liquor question and kindted naues, he would be an interesting factor at the Democratic primaries.

Brumbaugh Attacks Brewers Brumbaugh Attacks Brewers
HARRISBURG, Jan. 14.—In an address at the Young Men's Christian Association Governor Brumbaugh scored brewers who use coal to operate their breweries. He said men who did not close their breweries in order to conserve fuel were no less than traitors to the republic. The Governor spoke on "Pennsylvania and the War."
