Confers With Director Webster on Plan for Dispatch of Munitions and Supplies

Mayor Enters Campaign for Philadelphia's Port

MAYOR SMITH today took the first step toward having ships diverted from New York and other ports to Philadelphia. George S. Webster, director of Wharves, Docks and Ferries, was called to the Mayor's office and instructed to the mayor's office and instructed to take action so that the advantages will be brought to the full notice of those in author-ity in the shipping of munitions and susplus and supplies.

Mayor declared he would exert himself to the limit to gain justice for Philadelphia and would appeal to Railread Direc-tor McAdoo if other channels failed.

Discrimination by the railroads is given by the Mayor as the only reason for the sending of goods through Philadelphia to New York for shipment abroad.

Mayor Smith today set in motion the machinery of a campaign to have munitions and supplies destined for Europe shipped through the port of Philadelphia

The Mayor said that he would carey the case to Railroad Director McAdes, war himself if it proved necessary to gain want the end desired for the site.

Department of Wharvey, Docks and Fer- portant for ries, was called to the Mayor's office at noon today to confer on a plan of campaign. It is upon Mr. Webster that its the Mayor depends to carry the project through.

Discrimination by the railroads against the port of Philadelphis was de- furn clared by the Mayor to have been the only cause for the shipping of goods by way of New York. This statement was made before Director Webster had ar-rived at the Mayor's office for the con-
