

KNITTING BAGS CARRY THE BANNER FOR UNCLE SAM'S WAR SAVINGS STAMPS : A HEALTH TALK

PATH OF GLORY WIDE ENOUGH FOR EVERY ONE ON A COMMITTEE

That Business Problem of Advancing "Bigger Man Than Yourself" Appears in Women's War Work—Old Maxim Still Holds!

How wide is the path of glory when you are chairman of a committee? There are others on the committee, too, of course. Is it wide enough for them?

The age-old problem in the business world has a way of making an occasional appearance among the million and one women's committees to which war has given birth. This cannot be avoided.

So long as there are human beings striving for any goal the question will continue to be asked, "How wide is the path of glory?" Business men will tell you that the time comes in the life of nearly every man when he has to face the music of employing and advancing men who are apt to grow bigger than himself or sacrifice general business interests to his own vanity.

This is the problem in a nutshell. It does not have to be discussed in relation to women's war work. The falling is so general that it begins in our beanbag days and goes on as long as we go on. It sounds so mean and ignoble; but it is, after all, very human. Something human that must be fought against and overcome. No organization or business enterprise can reach its highest development bound up in the ties of self-vanity.

There are two ways to look at this matter of not giving fullest cooperation and opportunity to those who are working under us.

First, it must be remembered that you can keep talent down—but not for long. It will rise eventually in spite of any interference.

Second, the picking of successful workers reflects glory on the picker. The head of one of the largest industrial concerns in the country holds his position simply on the strength of

BARLEY'S FOOD VALUE IS BIG

By J. H. KELLOGG, M. D., LL. D. POSSIBLY you will not want to make barley a part of your regular diet. You may find that its flavor will

Soft earroasts here for wounded soldiers' sleeping. Enfolded robes and clinging shoulder wraps. And robes for surgeons, too, and surgeons' caps.

Barley is available in three different grades. First, there is the Scotch malt, or put barley, used for gruels and coarse cakes. It is merely the grain deprived of the outer husk.

Most persons will deny they are working for glory. "Love of it is the thing that is hidden deepest within ourselves. We do not talk about working for glory, even with our best friends."

THE WOMAN'S EXCHANGE Letters and queries submitted to this department will be published in the issue of the week unless otherwise indicated.

TODAY'S INQUIRIES 1. How can badly stained nickel be cleaned?

ANSWERS TO YESTERDAY'S INQUIRIES 1. Fuel is the best butter substitute to be used in cooking.

Canapes of Sardines To the Editor of Woman's Page: Dear Madam—How are canapes of sardines made?

Baked Bean Soup To the Editor of Woman's Page: Dear Madam—You make one time in your menu of baked bean soup. I take it by your last issue that you had some of these served over. Would you please print the recipe for this soup?

Old-Time Buckwheat Can Be Bought To the Editor of Woman's Page: Dear Madam—I read in one of our daily papers—cannot find recipes for making buckwheat griddle cakes raised with yeast. We have tried in several states to get the buckwheat meal, by the pound but have been unsuccessful.

Uncle Sam's Recipes To the Editor of Woman's Page: Dear Madam—I read in the EVENING PUBLIC LEDGER the other week that you would get free copies of recipes if they were sent to some one of the Government departments. It was just about a week ago that I sent you a letter and you sent me a card that it slipped my memory. Could you please tell me where to address such a letter asking for these recipes?

STERLING SILVER TEA SERVICES Among our assortment is one of exceptional value—It consists of coffee pot, tea pot, sugar bowl, cream pitcher, waste, kettle and large tray.
