day and night sessions.

Graduates of the school who go into overcoas service are exempted from the draft. A new class will be organized February 25 and preparations are being made for a rurb of applicants. Native American citizenship and a slight seafaring experience are the principal qualifications for caroliment. Prospective students should apply to the shipping board's local recruiting station at 188 South Fourth street, in charge of John Frederick Lewis, section chief.

BRUMBAUGH INDORSES SMILEAGE BOOK PLAN Campaign to Furnish Clean Enter-

tainment for Soldiers Wins General Favor

Governor Brumbaugh has heartily approved of the campaign to give the boys at the resolution and be has written W. E. Hexamer that he amendment. This ends the matter so far as Maryland is concerned, as the House passed the resolution last week. House passed the resolution last week. Mary Pickford has purchased 1200 books. Mr. Hexamer announced today that Mary Pickford has purchased 1200 books and distributed them to the members of resolution in the Senate was 18 for to the Red Cross for the use of American soldiers and sailors at no cost to the Red Cross except for the wool.

the 143d Field Artillery in California. He also said that Buffalo had sold \$30,000

worth.

Local chairmen of sales committees have been appointed, and it looks as if the number of books printed would have to be increased on account of the demand for them.

The Liberty Theatres, admission to which is gained by use of the tickets in the Smileage Books, furnish the only entertainment given the boys at camp and the only diversion offered them after long hours of drill,

BUGE SAWDUST TANK OF VICTOR CO. AFIRE

Camden Firmen Have Difficult Task Until Acetylyn "Can

Opener" Is Obtained

A difficult problem, for the Camden fremen to deal with occurred this morn-ing at the Victor Talking Machine Com-pany,

Pany.
On the Cooper street wharf is a large 10,000-gallon tank used as a repository for the sawdust from the plant nearby which is blown into the tank through the couper fatetion is caused by this Pipes Some friction is caused by this Brocess, it is said, and the sawdust

recess, it is said, and the sawdust caught fire.

The firemen could not get at the tank which was roaring inside like a furnace, and they finally pumped water into it through the sawdust pipes, but it did little good. Finally an acetylyn gas welding machine was obtained which sat open the top of the tank like a can opener and the fire was finally extinguished after a hard battle.

RE'S AN INTERESTING EZERMAN-JACOBINOFF EVENING OF SONATAS

The Pleasures and Interests of

Rare Sort of Pro-

"Sonata evenings" belong to the more are and rarefied musical joys.

Like chamber music, such an entertainment is one of appeal prepondergenuine, even seasoned, music lover. D. Hend'k Ezerman, the very notable

piano virtuoso and interpreter, has been responsible for giving Philadelphia music responsible for giving Philadelphia music lovers their almost solitary opportunity to enjoy the spec'alized delights of a formal 'sonata program' during the last few seasons. He has had various col aborators, but none of more capital qualification both in technique and profound musical appreciation than Sascha Jacobinoff, the young Philadelphia violinist, who befored him last events be

total Woman's Suffrage party may interest you.

Two suffragists of the National Womm's party, practical-minded politicians
were invited out to dinner. Their hostiss owned a outlin board. The suffragettes were mys d to try it. They
put their fingers on the little table.
Suddenly it spun around and raced from
end to end of the lettered board. It
imped up first one side, then the other,
and when it settled down it wrote:

"The conjoint efforts of the two artists
passed out of admirable routine polshed as they performance was, integrally interwoven of the nianistic tones
and the sounds of the fiddle, unified into
a proportioned relation between the
two instruments, and became creative,
recreating the significance as well as
present ing the scores of the composers.

lary than inspired yet nothing to the second programs. Such as an accomplish as Mr Goepp has wrought is a tribut to the very lively and enterprising spirit of composition rife in Philadelphia for the last few years, the fruit of which has been much interesting and some noteworthy original music. Poise, understanding of the intentions and full realization of the requirements were traits of the Brahms numbers as

FOR MERCHANT MARINE
Chief Instructor of Free Government
Nautical School Appeals for
Recruits

"There will be a tremendous demand
in the very near future for officers for
the new merchant marine," declared
Prof. Samuel G. Barton, chief instructor
of the free Government Nautical School
at the University of Pennsylvania, in an
appeal for recruits which he issued to
day. "And," he continued," if the young
men of today realized the wonderful op-

day. "And." he continued. "if the young men of today realized the wonderful opportunities for a future life career which are once in this branch of the service they would swamp this office with applications for carolim nt."

There is still a chance for men with red blood in their veins who love the sea and hanker for adventure to become the seasons. His wife died several versage.

school and the graduates, in most cases, are being quickly placed. Already more Sailor on Ship Which Caused Explosion Will Write Book

Erik G. G. Palm, 733 North Twentieth street, who was a sailor on the Belgian relief ship Ino, which collided with a nunitions ship in Halifax harbor, resulting in an explosion which cost hundredof lives, today is preparing to write a book of his experiences. Paim was recently discharged from the Philadelphia Hospital.

phila Hospital.

Palm, after coming to Philadelphia, topk out his first papers. He says that he wants to become an American citizen. He was born at Karlsborg, Skaraborgs County, Sweden.
