CONSCRIPTION OF LABOR
The Committee on Public Safety of
the Commonwealth of Fennsylvania
and the Philadelphia Chamber of Commercs have united in an investigation show the necessity of conscription of ishor in Penraylvania.

Questionnaires are to be sent to em-players of labor throughout the State to find their labor difficulties. Heturns from these questionnaires will be followed up by investigation to find remedies for labor troubles.

The work is in the hands of a committee of six members, two each from the industrial and educational committees of the Chamber of Commerce and the Committee on Civilian Service and Labor of the Public Safety Committee.

The first step in the investigation will

be the sending out of a questionnaire to all the manufacturers and employers of labor throughout the State. The ques-tionnaire is now in preparation and will be ready for mailing within a short time.
The committee has worked for several weeks in compiling the questions and it is said to cover every phase of the labor question that could possibly arise.

The measure appropriates \$50,000,000, and will be ready for mailing within a short time.

Three Men and Women and Three Children Injured in Brief Bombardment

LONDON, Feb. 16. An enemy submarine bombarded Dover this morning, killing a child and injuring three men and women and three children, Lord French, Director of Home Defense, announced today.

The U-boat appeared off Dover at 1 o'clock. The bombardment lasted only three or four minutes, in which time about thirty shells were fired. Several houses were slightly damabed.

The submarine attack follows by about twenty-four hours the German destroyer raid on British submarine patrols in the Straits of Dover, which Crowder Threatens to resulted in the sinking of a trawler and seven "drifters."
