Committee has not yet concluded hear-ings on the fuance corporation bill, it is expected that its passage will take but a short time when it is reported out. An insurgent movement having pre-of Labor. At the outbreak of the pres-tion and for the United States Bureau of Labor. At the outbreak of the pres-tion and society and an active part same fervant spirit that impels our gallant sons in the trenches of France and on the waters of the Atlantic to shed their blood in America's sacred cause." vented the passage of the bill by the ent war he was called into service by MADE WOULD-BE SUICIDE Senate yesterday, Senator Simmons in at the This insurgent movement resulted in a victory for those demanding that Wall

management of the ecorporation. Through a long parliamentary tangle the Senate rambled finally to this conclu-sion regarding the directors of the corporation:

That no director of the corporation shall either directly or indirectly par-ticipate in any transaction of the cor-poration affecting the interest of any concern with which he is either directly or indirectly connected. This provision, sponsored by Sevator Pittman, Nevada, will force directors

of the corporation to sever all connection with the big Wall street business inter-ests, Pittman said. He pointed out that unless they do they are bound to have a share in transactions either directly

while the Senate cleaned up this measure the Judiciary Committee tried again to get a vote on the Overman bill, empowering the President to reorganize the war agencies to obtain greater efficiency. It semed unlikely the deadlock in the committee would be broken.

FRIEND OF PENNELL IS AGAIN SUSPENDED Washington, Pa,, Wife Says Hus-

> Charles M. Burns, Veteran Architect, Draws Fresh Exile From Art Club

Life is just one suspension after an-other for Charles M. Burns, noted architect, octogenarian wit and friend of Joseph Pennell, the famous artist, who suddenly withdrew from the Art Chub, of Philadelphia, under charges of anti-British criticism, with the recipitated in the art world

Mr. Burns today entered upon a second and thirty-day term of suspen-sion from the club after he had re-from a source unknown to him. The from a source unknown to him. The charges were that he, in the contrany of Mr. Pennell in the club cafe, made remarks that were pro-German. The first suspension, fixed by the house committee for ten days, expired yesterday. The suspension was unheld by the board of managers or governors, which extended it thirty more days. which extended it thirty more days. -

tary of the body, warned Mr. Burns ugainst "further offenses." In the meantime the "exile" seeks

In the meantime the "exite" seeks what comfort he may at the University Club, Sketch Club and other artists' ren-dezvous, where he is the placid center of friendly indignation. "Apprently I have been guilty of tess majeste," said Mr. Burus. "There is no such thing, but I am guilty of it." The veteran was quoted as culturing The veteran was quoted as outlining The veterant was quoted as outlining his position as follows: "It is very sim-ple. I do not know the names of my accusers and therefore I do not feel called upon to offer a defense. Friends have offered to tell me who the men-are, but I want to learn the names of-ficially from the house committee or the board. If the man who started this thing had had the manhood to tak me with what I said, this thing would not

board. If the man who shride this thing had had the manhood to fax me with what I shid, this thing would not have happened." Mr. Burn's counsel prepared the fol-lowing statement explaining the events that began with the house committee meeting of February 13: "Mr. Burns was summoned before the house committee of the Art Club and he was furnished with two anonymous let-ters. In one of these letters the writer accused him of being pro-Germa. He requested the committee to divulge the names of the writers of these letters and this rquest was refused. He deemed it hence the writers of these letters and this rquest was refused. He deemed it hence the dignity to answer such an insulting and untrue charge, and, as he refused to attend the subsequent meeting of the house committee, he was informed that be had been suspended for ten days, the time wrote to the board of governors of the Art Club re-pacing his request to be informed as to who had written the letters stating to the heart in writting that the accusa-ce dewake his and requesting the board in writing that the accusa-tion was a damable he, and requesting further that he be permitted to appear

Turner that he be printed to dryad before the board. "He was informed by a letter from the secretary of the board, under date of February 27, that he had been sus-pended for a further period of thirty days. He was not given the names of his accused, nor was be accorded the privilege of a bearing before the board, or being faced by his accusers. "The only dignified course which Mr.

fifteen years. He was retired and had received permission to act as my agent. I considered him a valuable man as my esentative and deny that I am guilty any conspiracy

Lippert and his son were formally charged with violation of sections 322 and 312 of the United States Criminal Code. This involves conspiracy and "alding and abetting General Cruse commit the crime of receiving money and other valuable consideration for pro-curing a contract."

WASHINGTON, March 2.

Ceed Him Dr. Edgar M. Green, a member of the advisory board of the State Health Department, is being mentioned in Har-risburg as the probable successor to Dr. Samuel G. Dixon, as State Health Com-missioner. Doctor Dixon died in the University Hospital on Tuesday. Doctor Green has been medical in-spector of Northampton County ever since the creation of the department, having been one of the men taken over in this position from the predecessor of the Health Department, the old State Roard of Health. He was a classmate of Doctor Dixon at the University of Pennsylvania and has since been a close personal and professional associate. Friends of the late commissioner say there is no doubt that if Doctor Dixon had the naming of his successor he would choose Doctor Green. Other names mentined for the place are those of Dr. Wimer Krusen, director of public health and charities, and Dr. W. G. Davis, a prominent Philadeiphia physician. Major General Cruse, retired, charged Chicago with taking money for servin Chicago with taking money for serv-less in connection with army contracts, called at the War Department today to consult with Assistant Secretary Crowell. Crowell, however, was unable to see him. It was understood that contracts obtained through H. H. Lippert & Son have been canceled. It is claimed that Cruse accepted payment for as-sisting the Lipperts in securing blanket and supply contracts after his retire-ment from the quartermaster corps.

ment from the quartermaster corps, Cruse will be tried by court-martial, as it is held he was not empowered in account of the second se accept retainers even after his re-
