GERMAN ALLIANCE WILL DEFEND ITSELF

Officers Will Testify Today Before Senate Judiciary Subcommittee

WASHINGTON, March 2.
The national German-American Al-iance had an opportunity to fight for existence today. The subcommittee the Senate Committee on Judiciary was ready to hear officers of the Al-iance on their reasons for opposing the bill presented to Senator King, of Utah. mangled Germans sprawled across Ne Man's Land. While our forces suffered Man's worked to "Germanize America." Gustavus Ohlinger, a Toledo attorney, and Harry C. Campbell, a Milwaukee newspaper man, have appeared before the same tactics always employed against green troops.

The boche is apparently emphasizing the use of gas, but reports indicate that the first real taste of the policate that the organization. They have charged the organizations with opposition to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the policies of the United States and several days ago served as a salutory to the served days ago served as a salutory to the policies of the United States and the served days ago served as a salutory to the served days ago served as a salutory to the served days ago served as a salutory to the served days ago served as organization by Congress in 1907.

In the great war.

Officers of the organization have made unofficial answer and have disclaimed these charges. Today they will have a chance to show to the subcommittee that their organization is loyal gested.

Artillery fire on both sides was exidently of unusual severity, the American barrage catching many of the advancing raiders. They were apparently surprised at the stiff defense put forth against them, and some of the Germans had no chance with the scrappy Sammes, who used bayonets and fists when the fighting was very close.

Early today the list of American casualties in the fighting had not yet come in at the War Department.

Gifficers of the organization have made unofficial answer and have discipled these charges. Today they will have a chance to show to the subcommittee that their organization have made unofficial answer and have discipled these charges. Today they will have a chance to show to the subcommittee that their organization have made unofficial answer and have discipled these charges. a former Congressman, is ready to take the witness stand and has stated that he would "tell some mighty interesting things." Bartholdt has been charged with appearing before meetings of the WASHINGTON, March I General Pershing has been urged to expedite as much as possible the list of casualties in the fighting north of Toul.

It was pointed out with a great deal of pride that the American forces engaged followed out to the limit the best tradition of the American fighting forces. Subjected to a disastrous bombardment from every sort of weapon which had the accurate range of the American positions, and swept by clouds of poisson gas, the Americans maintained of poisson gas, the American positions, and swept by clouds of poisson gas, the American gas a witness.

E. Lowry Humes, United States Dis-trict Attorney for western Pennsyl-vania, also has been summoned. Ac-cording to evidence already before the officials declared today that this latest fight, in which it appears the American forces have sustained their heaviest military lesses in action will do much for the American cause. Naturally it is expected to be reflected throughout the country, especially in the various army camps, where the troops are completing their training before going across. And it is certain that the lesson of holding on and giving better than was sent will be reflected from the American forces in France.

GERMANY'S LATEST "FAN OF DEATH"

Despite resistance by the Russians German troops are advancing toward Petrograd according to schedule. With Pskoff as a base of operations a fan has been spread out reaching Ourieff on the west, and along the Petrograd railroad to Don, near Luga, on the east. Valk, the chief food center, is handy to both Ourieff and Pskoff. The Germans now have two railroad lines along which they can advance upon the Russian capital.

SLAVS IN LAST STAND AS FOE SWEEPS TOWARD PETROGRAD

nonneed they will remain until the last
moment. Only the most important
documents, valuables and gold are being
removed from the city.

In event of German occupation the
Government will proceed to Moscow.

These are the predictions for the immediate future of "kaleidescopic Russia," as given by Representative Meyer
London, Socialist Congressman and one
of the best informed men on Slav conditions. London lived under the Car's
rule until he was twenty years old and
is a personal friend of many of the Russian factional leaders.

"Almost anything may lighted."

AUSTRO-GERMAN ARMY RENEWS DRIVE ON KIEV

"Almost anything may liappen sud-denly in Russia," London sald, "but the Katser will find to his sorrow just what Napoleon and other ambitious war lords learned by experience. For the Germans to gain a real control of Russia seems to me just as impossible now as Napo-leon found it.

Special Session Will Punish Bakers

MAY STILL USE RYE

Bakers of Philadelphia have been notifled by Federal Food Administrator Jay
Cooke that the time during which rye
may be used as a substitute for wheat
flour in the baking of bread has been
extended until March 21. Under the
regulations originally promulgated, rye
flour would automatically have been
withdrawn as a substitute on March 3.

Mr. Cooke avalained that the reason Mr. Cooke explained that the reason

its use as a substitute all this month. At the end of that time, it is estimated, other substitutes for wheat will have been accumulated in large quantities.

REICHSTAG PROTECTS HENKE

Refuses to Permit Prosecution of Social Democratic Deputy

AMSTERDAM, March 2.—The Frank-furter Zeitung declares that on Wednes-day the German Reichstag, without de-bate, refused the request of the Bremen court-martial for authority to institute the criminal prosecution of Deputy Al-fred Henke, a Social Democrat, who was charged with instigating an offense sgainst the state of siege law.

Japan Invades Siberia: AUMENTATA ATTIVITA Chinese in Manchuria

diplomatic advices of the American Government, which said that ultimately a real fighting line would be formed and a new leader would arise to head the Slave Rumania, too, is now inclined to resent imposition of any unfair German peace it Piave

imposition of any untar German.

The American decision, it is believed, will not be long withheld. Consultations among Colonel House. Lord Reading. Secretary Lansing and the President lave apparently served to clear the atmosphere, though it left a difficult problem for the President to solve. Japan to anxious to be up and at the fask and is pressing for an answer. Some authorities suggest the has merely taken a diplomatic way of letting the Allies know that she intends to act it any event.

MIKADO IN CONFERENCE ON SIBERIAN SITUATION

the situation in Siberia is under way at the Mikado's vilia at Hayama today.

Foreign Minister Motono, Naval Minister Kato and Admiral Togo were in conference with the Emperor.

The decision of the Allied diplomats to withdraw from Petrograd is tantamount to a severance of diplomatic relations with Russia, it was generally regarded in official circles today.

Foreign Minister Motono told the Diet that Jaban is negotiating with the Allies for a new policy toward Russia.

Significance is placed on the hurried departure for Vladivastok of Rear Admiral Tanaka, former attache at Petrograd.
