### BARUCH TOPS BOARD OF WAR INDUSTRIES

President Appoints New York Financial Expert to Succeed Daniel Willard

### FUNCTIONS ARE REVISED

Wider Powers Vested in Chairman. With Other Members as Advisors

WASHINGTON, March 5, WASHINGTON, March 5,
President Wilson late this afternoon
announced the appointment of Bernard
Baruch, New York financial expert, as
chairman of the war industries board,
succeeding Isaniel Willard, president of
the Baltimore and Ohlo Railroad
The President's letter to Mr. Baruch
was as follows:

"I am writing to ask if you will not accept appointment as chairman of the War lidustries Board, and I am going to take the liberty at the same time of outlining the functions, the constitution ed a German surprise attack in and action of the board as I think they should now be established.

"The functions of the board should

First, The creation of new facilities and the disclosing and if necessary the opening up of new or additional sources of supply.

Second. The conversion of existing facilities, where necessary, to new uses.

Third. The studious conservation of resources and facilities by scientificommercial and industrial economies. Fourth Advice to the several purchasing agents of the Government with regard to the prices to be hald.

ENDS; NAME APPOINTEES and systematically informed of all contracts, purchases and deliveries in order that he may have always before him a schematized analysis of the progress of business in the several supply divisions ... the Government in all departments.

### All Finland to Be Seized by Germans

Continued from Page One are the White Guard. The White Guard represent conservative interests, who care little for real democracy and who want the Germans to have control of the Petrograd government, because money-

want the Germans to have control of the Petrograd government, because money-making might then start up again.

The White Guard, with their white flag, symbolize a surrender to reaction. The leaders of the White Guard have been demoralized by the terrible throes of a great democracy's birth.

They don't want to go through the conclusive stage any longer. They are prepared to accept a partly palsied democracy to evade further trouble to themselves.

themselves.
Fortunately for the case of world de-modracy there are in Russia the Red Quard, who are not faltering, and who will see the evolution through to the

They shouldn't be called "reds" and longer. America ought to know them as the Red Guard of democracy.

# Flowers, Ferns and Fashions A Rare Blending of Beauty

You'll say the good old Store never looked more beautiful. The green foliage and bright blossoms throughout the First and Second Floors and on the Third Floor (West) proclaim the coming of Spring and make one forget the snowbound roads and the heatless days of the past winter. Still more delightedly does one sense the beauties of Springtime through the displays of new merchandise-

### Lovely Apparel for Women The New Fabrics and Trimmings All Accessories to the Toilette

You'll say we have succeeded admirably in our effort to make the Spring Opening of our Golden Year surpass the displays of past seasons. There have been difficulties - some kinds of goods scarce, some materials delayed in shipment, some practical changes and common-sense developments. But there's brightness and cheerfulness in textures and colors and airy gracefulness

After all, there's no embargo on beauty, nor does our Government intend that there shall be. Without woman's help the Allies could not win the war. Depend upon her to save where saving will help, to work where work is to be done, to be cheerful -and to dress as becomes her station and her brave spirit,

The Fashion Opening Displays are all-inclusive-Women's and Children's Apparel, Silks, Wool and Cotton Dress Goods, Laces, Trimmings, Neckwear, Ribbons, Gloves, Hosiery, Shoes, Hand Bags.
