

WOMEN WILL ACCEPT VOTE BECAUSE HOME MEANS AMERICA

War Engarde Answers Reader Who Says Her Sisters Are Interested in Things Domestic and Not in Suffrage

Monday is needless day. Nervous... trenchant letter printed below...

"My friend, 'the home' as you picture it is nothing but a four-walled enclosure of brick or stone...

"I think you and women know today that the home is not protected when the doors are bolted and the inhabitants snugly tucked in...

"Yes, I again repeat with you that women are more interested in their homes, and indeed the same thing is true of men, but remember, dear woman who thought I over...

"AS TO business women being mostly interested in their dress, I think I have found that there are about as many business men, if not more...

"I agree with 'A Woman Who Thought It Over' in that most women are interested in the things pertaining to the home, and that is not surprising...
