President Samuel Gompers, of the American Federation of Labor, today amounced he had spoken by cable to Russia for labor. Gompers's cable reads: "To the All-Russian Soviet, Moscow:

"We address you in the name of world liberty. We assure you that the people of the United States are pained by every blow at Russian freedom as they would be by a blow at their own. The American people desire to be of service to the Russian people in their struggle to safeguard freedom and realize its opportunities. We desire to be informed as to how we may help. We speak for a great organized movement of working people who are devoted to the cause of freedom and the ideals of democracy. Teacher knows you want your child to save-to save for Victory.

And why even the little they can save from the small amount they have will help some soldier to do his bit in the fight.

whitehall, Ill., March 13.—Miss Geneva Clark, twenty-four years old, and Mark Sawer, twenty-eight, were shot and killed on a C. and A. railroad train near here today. The murderer leaped from the train and escaped.

Both Miss Clark and Sawer were from Roodhouse, Ill. The police believe the murderer was a jilled sweetheart of Miss Clark.

Listen to your children when they come home from school and ask for pennies to save for Thrift Stamps—the kind that teacher told them about! them about!

> Give them the moneyall you can spare-even if a sacrifice - for you're teaching a lesson of patriotic duty your child will never forget.

> You know what Thrift Stamps are — these little stamps that cost 25 cents each—just a quarter loaned to Uncle Sam.

When you have 16 of these little stamps you can get a bigger stamp, a War Savings Stamp, by paying 14 cents (in March). You see this bigger stamp has really cost you \$4.14, but it pays you back Five Dollars cash in 5 years.

It's not only fine patriotism, but the best sort of saving at the same time.

So, help your children to get Thrift Stamps from their teacher-and, remember, each school and every teacher is trying to win a banner for selling the most stamps. That means helping most to win the war.
