THIS SQUAD WON THIRTEEN STRAIGHT GAMES

Although it failed to win the Second School District championship, the Childs Grammar School basicet ball team made a splendid record in its first year in the popular indoor sport. During the season it made a run of thirteen straight victories. The record for the season shows eighteen victories in twenty-tvo games. The members of the squad are as follows: Left to right, bottom row, Charle, Pitts, guard; Tony Cake, forward; Max Bieberback (captain), center; John Descano, forward; Fred Ratner, guard. Top row, Harry Cooker, sub; J. Katz, coach, and Babe Stebbins, sub.

MAY START GAMES LATER THIS YEAR

Daylight Saving Plan Will Probably Be Used by Leagues

MAGNATES FAVOR PLAN

Philadelphia's two major league teams the Phillies and Athletics, will most probably fail in line with the other big eague clubs in reference to the daylight-saving law which has been passed by he House of Representatives. Nothing definite could be tearned from either of the local teams, as President Baker, of the Philles, is in St. Petersburg, Fla. and President Shifte, of the Athletics, could not be located at his home or the dub's officer

New York in Line

New York will take its baselad) under New York will fine haw, according to the daylight-satisfies haw, according to the new clock time. The sun will be ig-meted by both National League clubs in announcing the starting time of games. The Yankees, while no decision has been reached, are expected to fall in line with the other clubs

Where games started hast summer at 1:10, they will start next season at the same time by the clock. The decision of Giants is absolute according to Harry Hennestead, president of the club. The Dodgers' declalon is subject to change if patrons of their club can best be served by sticking to present out

Add Hour of Recreation

Brechill is faring one of the queriest roblems it ever hag been called on to face. On what major lengue magnetic decide probably depends the decision of many annuclements. New York club owntoany anumements. New York club own-cie feel that by following out the inentration aif the bill and flitching the day's work with an hour of added day-light they will be adding an hour of recordion to their patrons time. That, they consider, is the feature of the bill

Buy consure, is the barrier of a start of the second start of the new clock will allow an extra hour of daylight for baseball, world's rescords for long games may tumble with the. Double-leaders can te more frequent and attended by better

Price

covered before landing.

Advance

We have just received notice from the factory of a general price advance on Bethlehem Trucks effective April 10th.

The 11/4-ton chassis will cost \$50 more, the 21/4-ton chassis \$140 more.

We have twenty trucks due us from the factory and bought at the old price. We will book orders at the lower prices until these are sold.

May we suggest an early order as we have averaged 3 trucks per day during March.
