The indoor track and field championships of the Middle Atlantic district of the Amateur Athletic Union will not be held this year. This was decided definitely last night at a meeting of the A. U. officials. The failure of the various clubs in the section to support the ititular games was the main reason for the dropping of the events. Only the Meadowbrook Club had sent in a representative entry list.

With the abandonment of the track with the officials will now concentrate.

Lardie Davis, unquestionably the best center in the league, was third in the scoring with thirty-seven field goals and one foul for a total of 75 points. Davis has a remarkable eye for the basket and most of his goals were scored on long shots. Besides being a great offensive player, Davis also was a demon on the defense.

For many years we have been urging the wisdom of buying quality when purchasing clothes. So many only buy price.

Now we are reaping our reward - men are coming here in numbers, who realize that true conservation of expenditure, true economy is only achieved by buying clothes that have quality in both materials and workmanship.
