

# I WILL!

One Million Individual Subscribers to the Third Liberty Loan is the quota that has been set for Philadelphia.

It's a big job—but not too big! To do it a great army of **One Hundred Thousand Philadelphia Men and Women** is necessary to sell the bonds.

They must hear the call to the Bond colors NOW—and answer "I WILL!" They must give all or part of their time for the three weeks of the drive. The "Big Push" for Bonds will begin April 6, when Secretary McAdoo will unveil the "Statue of Liberty," now being built on City Hall Square.
