## What Do You Pay for Coffee?

This question is a real live issue to every house-keeper -more so today than it has been in fifty yearsBe Coffee-wise!

## OUR VERY BEST <br> COFFER <br> Why Pay More?

The fact that our coffee sales run into many millions of pounds annually proves that the quality must be all we claim for it, or we never could have reached our present output and the making of new Coffee friends every day.

One Answer: Quality and Price
