RSEY TROLLEY FARE | COURT'S 'DOPE' CHARGE **BOOST FIGHT OPENS** STIRS ATLANTIC CITY

Ranged Against Public Service Corporation

re Than 100 Municipalities Indicted Doctors' Names Suppressed in "Corrup and Contented" City, Allegation

WCARTER URGES RAISE PROTECTION IS DENIED

National Emergency Justifies It

Trenton, N. J., March 26.
Led by the New Jersey State League of Municipalities, the people of New Jersey today began their fight to prevent the boosting of trolley fares by corporation for authority to increase its rolley fare from five to seven cents with a charge of two cents for a transfer and one cent for a transfer on a transfer was sarted before the New Jersey Public Hilly Commission at 11 o'clock.

Asserting that it was imperative for the country in present war that powerful influences were

Treasury McAdoo, to President Wilson, dicted for giving prescriptions to adapt a statement of comptroller of the Treasury Williams, to show that traction lines, power companies and other utilities were essential to the United States properly prosecuting the war. Thomas N. McCarrer, president of the a "pail" but must not mention the Dable Service (Comparitor told the Chert.

hard hit by souring prices of all essen-tials in the operation of their lines. Air. McCarter read from Era, official organ of the American Electrical Association. the names of a large number of companies which had tried to obtain relief u the way of increased fares. He in-formed the commission of a number that had been permitted not only to se fare rates, but also to abolish to tickets. He said the Public Serv-Corporation was placing its re-urces at the command of the Govern-

ment in getting workers to munitions plants, shippards, elc., and in that man-ber aiding in the "speeding up" plans of the country, but that it was im-peratively necessary that money be forthcoming so that plans would not go that y. Mr. McCarter said that the gompany owned 200 miles of tracks and connected with 167 municipalities Divorce for W in the State, and that since the last year and a haif there was an ever-insereasing expense that would have to be met in some manner or another, and the company had decided on the seven cent fare and charges for transfers as the best way out of the situation. Industries can get back at wage raises, etc., by increasing the price of their products, he declared. He also said there would be a falling off in the output of war plants, if public utilities were not helped by the people.

Divorce for Wife He Tried to Kill

Mrx. Esther Ledwith was granted a divorce today from her husband, Michael Ledwith, who is serving a twelve-year sentence in the Trenton prison for an alleged attempt to murder her. The divorce was ordered by Master Powell in the Camdon court. At the time of the withs lived at 124 Clinton street, withs lived at 124 Clinton street.

weeks ago, great interest was shown and more than one hundred municipalities were represented by coursel or dilizens along with the State League of Municipalities.

Marshall Van Winkie, of Jersey Chy, who represented the league, obtained permission of the commission for the right to have the books of the concern brought into hearings when wanted. A stipulation was agreed to that the proposed new rates would not become effective until the commission had passed upon their reasonableness.

Gambling Not Telerated

There is no such thing as protected gambling of all kinds and Atlantic City; solesarer than any city in the country that I know of in that respect. Police records will bear out the statement that every known or, suspected gambling place has been promptly raided and prosecutions pushed with all possible vigor. Atlantic City says, to the world that gambling is not tolerated here.

"As to narcotics the evidence in prac-

George L. Record, of Jersey City, assistant counsel for the league with Mr. Van Winkie, as well as representing Passale city, along with A. O. Miller, city counsel, was present with the following other representatives of municipalities:
