## NEED WOMEN WORKERS Secretary Daniel's decision. F. G. Co. mended the employment of women TO ASSUME PROPER PLACE, SAYS ACTRESS AT AIRPLANE FACTORY in a letter to the commandant of the navy yard. In his letter he said:

Navy Plant at League Island there is not a mechanical operation in to Pay Them Men's Wages

Women workers are wanted at the manager of the naval aircraft factory navy yard here to aid in construction not to employ men of draft ago unless of haval airplanes. They will receive necessary, and since it is probable that compensation on the same scale as men male labor will become increasingly Evaniels, and has the approval of officials at the yard The civil service commission has opened to women for the neval alread

The plan to employ the women has needed, if not for the army, then for received the indorsement of Secretary other Government production. It is rec-

The Dawn of Freedom

When Russia, freed from the rule of the Czar, determined to institute a new form of government-"a Democratic Congress" in which all classes were to have a voice --- Louise Bryant secured admission to the first session. Tomorrow's installment of her narrative

# SIX RED MONTHS IN RUSSIA

gives a vivid picture of this unique assemblage-gathered to herald the dawn of freedom in the White Republic.

Her impressions of the vehement, serpent-like Trotzky, of the mildmannered Kamineff, of Marie Spirodonova--- "the most powerful woman in Russia"-and the other speakers who swayed the crowd to frantic clamor or hushed them to a menacing silence, will appear in.
