

I Am a Liberty Bond

BUY ME and I will build ships!

BUY ME and I will supply their cargoes of food and arms!

BUY ME and I will spread the wings upon which men will soar to battle!

BUY ME and I will keep steady the hand and bright the eye of the men who are living in the hell of the fighting line!

BUY ME and I will keep you and your wife and your children and your children's children safe from the Hun!

BUY ME and I will be the strong support of your son and your neighbor's son, who have been called to offer their lives that this free nation may live!

BUY ME and every six months I will turn over to you all my wages!

BUY ME and when the war is over and I am honorably discharged I will bring back to you every cent that you paid for me in addition to all the wages that I have turned over to you every six months.

BUY ME and I will be your answer to the question, "Daddy, what did you do to help win the big war?"

There is immediate and urgent need for every dollar you can spare.

You are only *lending* not giving your money.

Your Government guarantees the return of your money with interest.
