Town Meeting Men Call for Republican Registration

PRIMARY VICTORY, AIM

The Town Meeting Party will not be a separate political factor in the coming primarica.

The city committee of the narty decided not to put a licket into the held and in urging all independent voters to register April 17 as Republicans, to roll up an everwhelming majority against Vare Grganization candidates in the Republican primaries.

This is believed to be the first instatice on record where an Independent political organization has voluntarily withdrawn shortly before primary election day. All inations already filed by the Town Meeting party have been withdrawn.

Statement Explains. The action was asnounced in the foilowing statement from the committee

"At a meeting of the Town Meeting party city committee it was unanimously decided not to file any papers for nominations on the Town Meeting ticket for the spring primaries. Two or three papers for the nomination of members of the Legislature which have already been filed by Town Mosting candidates for the Town Meeting party ticket will be

"The Town Meeting city committee decided upon this action in view of the decision of the Dauphin County Court in restricting Town Meeting nomina-tions to Philadelphia County, thereby preventing the party from making any nominations for Governor, Lieutenant Governor, Secretary of Internal Affairs and the four Congressmen-at-Large.

"The city committee unanimously de-cided to make the contest for the nomi-nation of its candidates for Congress-men, State Senators and Representative men, State Senators and Republican primaries exclusively in the Republican primaries The legal right of all Town Meeting supporters who are already eardled as Republicans to participate in the Re-Broad street and Columbia avenue.

All Urged to Register.

"The city committee resolved to urge majority against the Vare machine candidates in the Republican primaries."

tions may be filed at Harrisburg. Action of the Town Meeting committee in calling upon independent voters to encoll is the first move in an active came nor a member of the Alliance, today acpairs to obtain a heavy enrolment for anowledged the authorship of the article, maines in wait a figures.

Vare Slate Completed
