U. S. STUDY OF GERMAN URGED BY DR. CLAXTON

Allies Concentrating on Enemy's Tongue as War Measure, Says Education Commissioner

New York, April 11 .-- American study of the German language as a war meas-ure is advocated by Dr. Philander P. Claxton, United States Commissioner of Education

Doctor Claston, addressing 160 young Dector Claxton, addressing 200 young women of the Teachers' College of Columbia University on "Community Centers and Democracy" yesterday, made an allusion in his lecture to charges of pro-Germanism preferred by William T. Hornaday, president of the American Defense Society, who had protested against the commissioner being allowed to apaal. After his address Doctor Claxton said: "They reply to these attacks because every United States citizen is allowed the right in the constitution to criticize public officials. I am as patriofic as

he right in the constitution to criticize niffic officials. I am as patriotic as anyhody in the country today. At the anno time. I believe we should get brough this war, if we can, without inging a hymn of bale. "If we were never to deal with Ger-many as anything else than an enemy i would still be worth while to teach the ierman fanguage in this country. No ne can deny that there are more Ger-ans in the trenches who if they could been in on our telephone lines, could inderstand what was being said than here are American boys who could un-aratand a German message they might vertice.

erhear. England and France are paying more tention to the teaching of German now in ever before, and you can rest assured at the study of English is not being method in Germany today. Heine and Goethe are still on our rary shelves, and they are still worth rding.

## STABILITY

Structures built by Steele are designed for years to come. Steele engineers analyze conditions, then design and build to meet the requirements - co-ordinated construction that means greater efficiency to the owner.

WM. STEELE & SONS CO. Engineers : Constructors Philadelphia Toronto

The instrument that accomplishes this inevitably stands supreme among musical instruments.

And that instrument is the Victrola.

The greatest artists make records for the Victrola exclusively. They agree that only the Victrola can bring to you their art and personality with unerring truth.

The Victrola is the instrument for your home.

There are Victors and Victrolas in great variety from \$10 to \$400, and any Victor dealer will gladly demonstrate them and play any music you wish to hear. Period styles to order from \$375 to \$950.

Victor Talking Machine Co., Camden, N. J. Important Notice. Victor Records and Victor Machines are scientifically coordinated and synchronized in the processes of manufacture, and their use, one with the other, is absolutely essential to a perfect reproduction. New Victor Records demonstrated at all dealers on the 1st of each month
