2000 Acres in South Carolina Requisitioned for Great Quartermaster Depot

Charleston, S. C., April 11.—A requisitioning of 2000 acres of land along Cooper River, between North Charleston and the mouth of Stono Creek to the government, to be used as a permanent quartermaster depot, was announced from the office of Major J. L. Lewis, quartermaster corps, National Army.

Yulet, Tex., April 11.

Reports of renewed activity and harassment by the Mexicans at the border caused little concern here today, except as they indicated the effect of German propaganda in Mexico.
