

# Troops to France

# —or Gold to Berlin

## LIBERTY BONDS

Every Liberty Bond you buy is your blow against military Kaiserism—your heel stamping on the wrong that declares it will rule by force. Bonds mean troops and more troops to France; food, clothing, arms, ammunition, ships, coal—the things our Boys, your Boys, must have to win.

## PRUSSIAN BONDS

No man can now doubt the real Prussian aim:—a military power that will rule humanity and the business of the world with an iron hand. There is only one answer—Germany *must* be beaten—at any cost—or we will be no better than slaves to German will—paying for Germany's war.

This district *must* buy \$250,000,000 worth of Third Liberty Loan Bonds. These bonds pay splendid interest—but what of that? The finest security in the world is back of them—but what of that? The one question you must ask yourself is, will you be licked into submission to Germany—or will you buy Liberty Bonds today to help rid the world of the frightful menace of Prussianism?
