Dublin, April 15. arthur Griffith, founder of the Sinn Tein organization, and Prof. Edward de raters, one of the leaders of that orinization, have consented to meet John silon, chairman of the Nationalist arty, affd Joseph Devlin, Irish Nasmallet member of Parliament for Belfish, for a conference on the conscripquestion. The Na-ionalist press never has time to bother with ensualities, which are more conspic-nous by their absence.
